Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wondertuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of "My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

LOCAL NOTES

STRAWBERRY Festivals are the order of the day now.

FOR fine hams see R. Moffett and T. C. Hadaway. They are Swift's finest.

THE Perkins new storeroom adjoining T. S. Bordley's corner store has been rented to Vansant & Newsome. The Toulson room has been rented by Mr. Harry Hodgkin for a grocery store. The Bradley lot will be sold today.

THE lot at the Chestertown depot, owned by J. Waters Russell has been sold to Charles S. Smith.

THE census figures show 16,947 persons in Kent of which 5,162 are colored; Queen Anne's, 16,839, of which 5,814 are colored.

THE Rich Neck Farmers' Club was delightfully entertained Thursday evening at the handsome home of Mr. and Mrs. C. L. Jarrell, on Washington ovenue.

HON. JAMES H. BAKER has deeded to his daughter, Mrs. A. H. Covey, his home farm, near Pomona; and has sold to Mr. Covey the farm adjoining, where the latter resides. Cash bequests were made to J. Henry Baker, Esq., and Miss Lizzie Baker. Mr. Baker is disposing of and distributing his property during his life instead of willing it for distribution after his death.

THE number of automobiles owned by residents of Chestertown is constantly increasing. Mr. Sides went to Philadelphia on Monday after a new Maxwell for Mr. Philip G. Wilmer. Dr. H. G. Simpers on Saturday exchanged his Hupp with Graham & Clements for a late model Buick roadster. Road Engineer Gibbs has purchased a Hup auto.

THERE is something doing these days in Chestertown and everybody who wants work has no trouble in getting it. The town authorities are keeping up with the pace of the private citizens and in six months this will be a better looking place.

CHESTER RIVER is alive every day with motor boats whose owners enjoy the sport. Why not have a regatta?

THE drought in parts of Kent is becoming quite serious. Don't worry, Mr. Farmer, always have had rain and fair crops.

THE new baker who has started in the Fowler building on Cross street is making a good start and finds good demand for his product.

THE farmers of Kent may see an interesting sight near Worton Station in the way of diversified farming. Mr. Harry Williams has a young pear orchard in which crimson clover is luxuriantly growing. He cut it on Monday. Next comes Mr. George W. Rash's Colescot farm which is kept in fine order. First comes a fruit orchard, then a big patch of asparagus, next a vineyard, then thousands of gooseberries, &c., &c. Mr. Rash's example in diversified farming is a good one to follow.

ONE farmer in Kent living on the bay in addition to his spring crops of asparagus owns a fishing rig. His total receipts since March amount to over $800!

ONE of the earliest gardens in Chestertown is owned by Mr. T. B. Elliott. He is ahead of Mr. S. Vannort, Isaac Brown, Messrs. C. L. Dodd and John Barnes, other expert "farmers."

COL. S. L. WRIGHT has a fine field of alfalfa at his home near the college.

THE Masons of Chester Lodge had a set-out Wednesday evening in honor of the raising of Dr. Jones, of Galena, to the sublime degree of a master mason. Messrs. W. Frank Jarrell and A. L. Carmine had charge of arrangements.

A WARNING note is sounded to all whose homes are not protected against automobile invasion by the following dispatch: Dr. Everett Shipley, of Seaford, lost control of his large touring car Saturday afternoon and in trying to turn a sharp curve ran the machine upon the porch of his brother's residence and kept on going. The dwelling and its contents were wrecked and the automobile was smashed to pieces. Dr. Shipley was only bruised and cut.

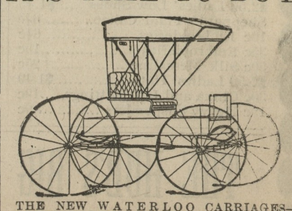

THE McWhorter farm occupied by Mr. Chris. J. Conner and containing 144 acres was sold at public sale Tuesday John D. Urie, Esq., attorney, to Mr. W. S. Moffett for $5,950. Mr. Moffett is now tenant on Mr. James W. Lambert's Morgnec farm.

THE yacht "Josephine" has been sold by the owner, Capt. Curtis E. Crane, of Chestertown, to Baltimore parties. Capt. Crain will now enter the lists of automobile devotees.

THE County Commissioners on Tuesday gave an audience to the School Commissioners of Kent county and listened attentively to their requests. President John P. Ahern, on behalf of the schools of the county, asked for $35,000 to maintain same, This sum was levied during the past year. He also asked for $12,000 for the purpose of building a new school house at Millington or improving the present building. Mr. D. A. Bacchus president of the Board of Trustees of the Chestertown High School, made an earnest and forceful appeal for money with which to build a primary school building in Chestertown. It is tnought about $6,000 will meet the need here. Mr. Harry Davis replied to the visitors stating that he was in favor of treating the schools liberally and that the board would give their request due consideration.

DON'T forget the entertainment in Firemen's Hall for benefit of Town Improvement. A pleasing feature of the program will be a brief lecture on Robert Burns by Dr. W. A. Colledge, of Chicago. This will be a rare treat.
