Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine OF KNOWN COMPOSITION and with a record of *40 years of cures*. Accept no substitute—there is nothing "just as good." Ask your neighbors.

A BIG VERDICT.

The Following Case Was Tried In Centreville Last Week And a Verdict of $20,000 rendered by The Jury.

A full bench in Centreville heard the trial of the damage case of Wm. H. Wilson, of Havre de Grace, against the Baltimore and Ohio Railroad Company and American Bridge Company. The suit in this case was first brought in the Circuit Court of Harford county and removed to Queen Anne's county for the November term of court 1910, when it came to a sudden termination and the court ordered a new trial.

Wilson is suing the Baltimore & Ohio Railroad and the American Bridge Company for $50,000 for damages for injuries received by the falling of the B. and O. railroad bridge across the Susquehanna River in 1908. The accident occured while a freight train was crossing the bridge, and at the time of the accident the plaintiff was employed as watchman for the railroad company. He was crippled for life.

The plaintiff is represented by Messrs. Fahey, of Havre de Grace; John Young, of Bel Air; Albert Constable, of Elkton; and J. H. C. Legg, of the local bar. The B. and O. Railroad Company is represented by W. T. Wharbutton, of the Cecil bar, and the American Bridge Company by Messrs. Cooper, of New York, and John E. Semmes and Son, of Baltimore, and E. H. Brown, of Centreville.

The jury impanneled in this case follows: Harry S. Covington, Foreman; W. S. Blunt, Joseph W. Crrter, John B. T. Roe, Nathan Smith, Harry D. Shawn, J. Fred Everett, Robert H. Mullikin, C. Dorsey Wright, J. Thos. Stevens, George C. Phillips, James E. Johns.

Juryman George C. Phillips, of Sudlersville, was taken ill in the jury box Wednesday afternoon and the court excused him from further duty and the case was continued with eleven jurors.

Court convened at 9 o'clock Friday morning, when the announcement was made that the prayer of the American Bridge Company that they be released on account of insufficient evidence was granted. This released the American Bridge Company from liability, and the jury brought in a verdict of $20,000 against the B. & O. R. R. Co.

NURSING AS A CAREER.

It is said that nursing is one of the most inviting fields of human service and that its financial return surpasses any other occupation open to young women. It develops all the native graces of womanhood and leads the way to positions of trust and influence. The demand for more nurses is a world wide call.

The Philadelphia School for nurses, located in Philadelphia, Pa., has undertaken to meet this demand by offering free scholarships to young women in all parts of the country. Room, board, laundry, incidental expenses, special financial assistance and railroad fare home on completion of the course, are provided. Length of Course two years. Also a Special Short Course at Home Study Course for those who must quickly prepare for self-support.

The Philadelphia School for Nurses is a benevolent institution conducted without hope of gain or profit in the interest of ambitious young women. Readers of this paper can get full information by writing the School at once.

FIRST PRIZE—$5.

Strawberry Sponge With Mountain And Plain Cream.

Make a sponge cake with 4 eggs (beaten separately), 1 cup of sugar, 1½ teaspoons of cornstarch, 1 cup of flour, 3 tablespoons of cold water, 1 level teaspoon of baking powder and ¼ teaspoon of salt. Beat the yolk of eggs until thick. Add gradually the sugar. Beat 2 minutes; add the water. Sift together the cornstarch, flour baking powder and salt. Beat this mixture well. Then add the stiffly beaten egg whites last. Bake in a square pan deep enough to allow the cake to rise double its thickness when put into pan. When baked and cool, trim off crusty edges with a sharp knife, split in half, spread the lower part with thick mountain cream. Cover this with fresh, ripe strawberries, placing each on the stem end. Put on top part of cake, cover heavily top and sides with the cream and place berries over the top. Cut down in blocks and serve for dessert with plain, rich cream.

White Mountain Cream.—Two cups of sugar, 2 cups of water and 2 egg whites. Boil the sugar and water together until it spins a thread. Pour the syrup slowly into the beaten egg whites. Beat as you pour the syrup—beat hard until nearly cool. Then spread. Flavor to suit taste.
