# A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

## Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

## IS IT FAIR?

Did you ever send to Chicago for a bill of hardware and find when it came that you had forgotten 50 cents worth of nails? Did you send to Chicago for them or did you go to the hardware store and buy them?

Did you ever send for an advertised special value in lumber or sash and doors and find on receipt of the goods that the mail order house "forgot" some of the essentials? Did you send away for the balance or did you go to the local lumber dealer to get what was missing?

Did you ever solicit a contribution for charity from some land promotion company a thousand miles away or from a mail order house in Chicago, New York or San Francisco?

If you have tried it you know it won't work. But you don't hesitate to go after the real estate man, the grocer, the hardware dealer or the lumberman here at home when you have some little money-raising scheme to put through. And generally they "come across" without a murmur.

In other words, do you play fair with your friend, the local business? Or do you use him as a convenience and send your money and your real trade elsewhere?

Every dollar you spend at home adds to the wealth of this community. Every dollar you send away detracts from it. If you are imbued with local as well as national patriotism you will keep your money at home in every case where you can get as great value here as elsewhere. Give our business men a chance.

## GOLDEY COLLEGE CATALOG.

The twenty-fifth catalog of Goldey College has made its appearance, and because of its unusually striking appearance this year is more in demand than ever before. This handsome little volume for 1911 is bound in heavy linen, and contains paper of the highest quality which in turn contains a "host" of information concerning the Diamond State's well-known business school. The catalog, which was printed in former years by an out-of-town concern, was brought forth this year from the New Amstel Press, and plainly shows the significance of the change made. The cuts in the 1911 catalog are especially interesting, and are brought out in excellent shape by the local printing concern. The catalogue contains views of last year's graduating classes, the baseball team of the college, photographs of the various officers and views of the class room in the building at Eighth and Market streets.
