SATURDAY, JUNE 17, 1911.

CHESTERTOWN will have a postal savings bank on July 14th.

ALL will rejoice at the lower tax rate, but not at misrepresentation. Give the truth about the matter and give honor where it is due.

KEEP cool. Some one says: "Bad temper is its own scourge. Few things are bitterer than to feel bitter. A man's venom poisons himself more than those whom he would harm."

Now that vacation season is here we would advise the boys to find some employment. It will help keep them out of mischief, make them happier and be of lasting benefit. As an example we would call the boys' attention to Master Joseph A. Wickes. He had been home but a short time before he went to work for Mr. Titter to learn the business and to keep from being idle. Success to you Joseph.

TRUTH BROUGHT TO LIGHT.

In the NEWS last year a few weeks after the rate of $1.85 was struck the claim was made that its purpose was to shoulder *unnecessary* burden on the taxpayers that year and that the rate this year would be very much less. Here are the words:

"WITH THIS RATE OF $1.85 FOR 1910, IN 1911 THE RATE WOULD FALL TO AT LEAST $1.20 AND IN 1912 TO $1, UNTIL SOON THE COUNTY WOULD BE ON A CASH BASIS!"

The rate declared Tuesday is $1.22, just 2 cents more than the NEWS figured, "Truth crushed to earth will rise again," and, as promised in the NEWS some months ago, the secret of the big tax of 1910 is now brought to light.

THE LOW TAX RATE.

Every tax-payer will rejoice at the reduction of 63 cents in the county tax rate as noted in another column. The reason for this reduction is because of the high rate of last year and because of the economy as practised by the working of the new road law.

THE NEWS of last year, the week after the tax rate of $1.85 was struck said: "*A large tax rate was declared this year in order to relieve next year of an expense* and thereby enable the Barroll faction *to lower the tax rate* and take to themselves great credit."

The great force and truth of that prediction has come true.

Honesty and square dealing is the best policy, not only in business but in politics, and the faction or party that tries to build itself up on any other foundation will crumble and fall!

MORE MISREPRESENTATION

The utter foolishness of the following clipping from, the Barroll Organ, headed "Their Kind of Economy," was so evident to most minds that the NEWS hesitated to call attention to it, but several tax-payers asked to know if the Engineer *really* spent $58,585.80 the past year! Here is the paragraph quoted:

"Up until the first day of May the cry of the Organization was "ECONOMY AND LOW TAXES." From the first of May to the first of June their road engineer spent on the roads of the county the astounding sum of **$4,506.62**. This is at the rate of **$1,126.65** *per week* or **$58,585.80** per year," etc.

This article should have been headed "More Misrepresentation." Reader, just pause a moment and think of the foolishness of this statement. The whole amount levied for the roads is only **$17,000** and how can any such amount as $58,000 be spent! The farmer who sells $1,000 worth of grain in *one day* might just as easily argue that therefore he would sell $365,000 worth in a year! Such bosh is enough to disgust anyone.

NOTICE TO THE PUBLIC.

The Board of Control and Review has discontinued its sitting until further notice.
By order of the Board.

THE NEW ROAD LAW.

The tax rate has been struck at $1.22, a reduction of 63 cents from last year. The bulk of this saving has been accomplished by the inauguration of the new road law for Kent county which some are styled to call the Slay Road Bill. It is the best law ever enacted for this county and to Hons. Wm. M. Slay, J. S. Harris and Harry C. Willis are due the credit for its enactment. It takes its place alongside the Treasurer law in its advantages and operation. Here are the figures for the year of the cost of road work in the several districts from June, 1910, to June 1911:

First District	$2,970 87
Second District	1,948 10
Third District	3,093 88
Fourth District	1,656 58
Fifth District	1,398 41
Sixth District	1,990 81
Seventh District	1,424 45
Total	$14,483 09

Last year under the commissioner system the cost was $35,000 and the previous year over $40,000!

PAYING FOR A REPUTATION

"Why pay for the reputation that any article has?" say some purchasers.
Because the reputation that his trade-mark has is the most valuable asset of many a manufacturer. He can't afford to risk that reputation by selling you inferior goods. That's why we handle the KODAK line in our photographic department. The KODAK company cannot afford to put out an inferior article.

We sell KODAK FILM exclusively because it is properly orthochromatic—because it is the DEPENDABLE FILM. Greatest Speed, Greatest Certainty of Good Results.
