Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

KENNEDYVILLE NOTES.

"All signs seem to fail in dry weather" Gardens are literally burning up. The dust is simply dreadful.

Farmers are busy threshing their wheat; some loading it on Cars right from the field. Mr. Wm. Archibald, buyer is kept very busy.

The hay crop is very short, Mr. Benjamin Dill having the most of any farmer in the community, and yet his yield is short for the acreage. The home crop will be very scarce and high in price.

The temperature was very hot in Weer' Hall last Monday evening, at which time, in the July Grange meeting five or six new candidates received the 3rd and 4th degree. Mr. George Rasin Worthy Master. The last thing on the programme was ice cream and cake in abundance, which was a delightful change.

Prof. George Medders and wife left Kennedyville Wednesday of last week for Atlantic City, where they met the Texas delegation of Christian Endeavorers in the great International C. E. Convention now being held in "The City by the Sea."

Rev. Mr. Mullineaux had a most delightful spin in the new Ford automobile of Mr. Howard Baldwin, one evening last week, of twenty miles, and pronounces both the car and the owner "first-class" in every particular.

Several in our community are sick. Little Margaret Crew's conditions, typhoid fever, remains much the same, with temperature in the neighborhood of 103. Mr. Wm. T. Baxter is reported sick.

Mr. W. M. Clendaniel who went to a city hospital last week for gathered hand, has returned home, the affliction pronounced not serious, no extensive operation having been made.

Owing to the extremely warm weather last Sunday few were present at the church services in our village.

OBITUARY.

MRS. SUSANNA ANDERSON.

Mother is dead. Mother: the most sacred word in the English language, and no word more full of meaning. It means childhood sometime, somewhere. It means untiring patience, constant watchfulness, anxious days and nights at a little cot of sickness, suffering and pain. It means love, that cannot be measured, and devotion that cannot be understood by any other but mother.

True mothers are not born or made to order. They are God's production. He planted a seed in the heart of Susanna Anderson years ago and she cultivated it, and nourished it and made it grow under God's direction, until it developed and produced for Him, and for her children, and her grandchildren, and great-grandchildren a most beautiful tree bearing delicious fruit; for she never lost sight of the fact that her most divine and sublime mission in life was true and pure womanhood and motherhood.

Whose touch was so tender, whose voice so sweet, whose love and devotion so deep and boundless as mothers? We never knew the tenderness of that touch, or sweetness of that voice or depth and fullness of that love and devotion as we do now, since she is dead. Many of the people of Kent county, Md., and of Wilmington, Del. where she lived for many years, will remember how true she was to duty; how in a quiet unassuming manner she made friends and gathered acquaintances about her. No shaming, or deception, or deceit, or sophistry was ever used by her to gain the favor or friendship of any person. She abhored and despised everything of that kind The honesty, truthfulness, sincerety, uprightfulness of her everyday life, and the purity of her character won admiration and respect for her. What a legacy she left her children: Mrs. Lizzie Boyd, of Galena; Mrs. Susie McClary, of Tolchester; Mrs. Sarah W. Morse, Mrs. Ida Appleby, Billy, Howard and Holden Anderson, of Baltimore city. She died last Thursday night, July 6th, at the home of her daughter, Sarah W. Morse and her son, Holden Anderson, 418 North Broadway this city, at the age of 87 years. There was no pain or suffering during these last weeks of her life only such as may have been caused by the extreme hot weather. Her mind was quite clear all that day and her death came like a sweet sleep. The wheels just ceased to turn and the machinery stopped. Today, July 9th, they place her in the grave at Galena, Md., where they buried her late husband some 10 years ago.

Mother still lives. She believed in God and His plan of salvation. God has taken her to Himself and in the morning of the Resurrection there shall come forth from that grave two of God's faithful saints.

M.

OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."
—Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.
