MILLINGTON, - MARYLAND

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of **Swamp-Root** is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

Home of Swamp-Root.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOME LAUNDRY

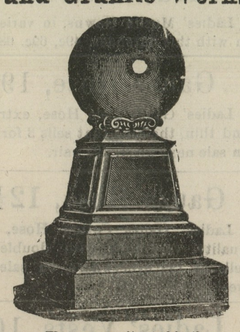

(Successor to Chestertown Steam Laundry)

We wish to state that we have added new and up-to-date machinery in the laundry formerly known as the Chestertown Steam Laundry. All laundry thoroughly sterilized and our plant is in a perfectly sanitary condition. We are in a position to do all work for the town and community and will guarantee satisfaction. Our new collar ironer is the latest piece of machinery on the market, and you will have up-to-date work. We feel proud to state—and our laundered goods will convince you—that we can compete with the best city laundry. We will be glad for any one interested to visit our plant. Mr. Sheets, our manager, will take pleasure in showing you through and explaining the system.

KENNEDYVILLE NOTES.

The dry spell of this community is broken, a heavy downpour of rain falling Monday. This forestalled the farmers in threshing their wheat, and stopped for the present the road men making the state road between this point and Locust Grove.

A few of the citizens of Kennedyville are having cement walks laid in front of their homes. This work is about completed in front of the store and residence of Wm. A. Pote, and the pavement making men have just begun in front of the home of Mr. Tilghman Shafer. Others of the village are making ready for the same great improvement, and we hope this spirit of enterprise may be very contagious.

Little Margaret, between eight and nine years of age, daughter of Charles H. and Katie Crew, after an illness and great battle with the fell disease, typhoid fever, for about six weeks, departed this life and went home to rest where there is no sickness or death, Sunday evening about sundown. Margaret was a dear, sweet child, a favorite with all who knew her, precociously and prematurely thoughtful, conscientious and beautiful in her whole make-up. Death picks for a "shining mark." Our loss is Margaret's eternal gain. Funeral services were held at the home Tuesday at 1 p. m.; interment in Chester cemetery, her pastor, Rev. Mullineaux, officiating. Undertaker Krusen had charge of funeral arrangements.

Mrs. Daniel Hill has been quite sick recently, but is now able to be up and about. Captain Hill has returned home from the hospital and is doing splendidly.

Mr. Wallace Atwell, who has been held at home for a week or more by a nervous affection of one foot, made his regular trip as rural mail carrier on Saturday last.

Mr. Wm. A. Pote, merchant, sprained a foot while making great haste to the railroad station a few days ago, and has suffered considerably from the effects, but is improving.

Mr. Wm. T. Hague, of the Shafer & Redmile firm, had a piece of flesh and scale of the bone nicked from the ring finger of the left hand, accidentally, by a planing machine, about a week or more ago, which has been very hurtful since. Dr. Urie is carefully looking after the wound, and it is doing as well as could be expected.

Mr. Charles Hessner is still quite weak and indisposed from several hemorrhages the past few days.

Mr. Jas. E. Weer, rural deliveryman of Kennedyville, made his first regular trip Monday in his new Sears auttomobile with no mishap, but well baptized in the pouring rain.

Mr. John Medders, superintendent of the M. P. Sunday-school, has been absent from his post for the past two Sundays because of not being at all well, but is much improved at this writing. His son, Prof. George Medders and wife, returned from the C. E. International Convention at Atlantic City last week.

EDITORS MEET AT LOVE POINT

Love Point, "The Sweetheart of the Chesapeake," was the Mecca for rural editors last Saturday and Sunday. The occasion was the annual outing of the Maryland Press Association, of which Col. W. C. Powell, of the Ellicott City Times, is President; and the annual meeting of the Maryland Democratic Editors Association, with that veteran, J. M. Street, as President.

These two associations decided to hold a joint meeting, and, while the attendanoe was rather small, yet those who were present were enthusiastic in their praise of Love Point as a summer resort and the most beautiful spot on the Chesapeake. The party reached Love Point at 5.20 o'clock Saturday afternoon, and at eight o'clock that evening the Maryland Press Association called its meeting to order as a social feature. Col. Powell presided, and with his usual wit and humor presented the speakers, among whom were: J. H. C. Legg, of the Centreville bar, whom welcomed the two associations in behalf of the Love Point Beach and Park Company; Senator Clarence W. Perkins, of Baltimore, whose theme was "politics;" Joseph Y. Bratton, of the Baltimore American, who gave an interesting talk upon the press of the state, both metropolitan and rural; Col. John W. Aiverett; of the Times-Alleghanian, Cumberland; C. O. Melvin, of the Ledger-Enterprise, Pocomoke City, and others.

At the conclusion of this meeting the Maryland Democratic Editors Association was called to order with President J. M. Streett, of the Harford Democrat, in the chair. The election of officers followed and the old officers succeeded themselves in the following order: President, J. M. Streett; Vice President, John W. Aiverett, of the Times-Alleghanian; Secretary and Treasurer, W. J. Price, Jr., of the Centreville Observer.

The social feature of the associations was very much er joyed by the guests of Hotel Love Point, who occupied seats on the spacious porch adjoining the reception room of the new addition. This is the first convention of any association or organization ever held at the Eastern Shore's new and popular summer resort. Mr. R. H. Collins, of the Transcript, and W. B. Usilton, Jr., of the KENT NEWS, with their wives, attended the meeting.

SEVEN YEARS OF MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl." —Mrs. DEMA BETHUNE, Sikeston, Mo.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.

It is more widely and successfully used than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it?
