# SHE SUFFERED FIVE YEARS

**Finally Cured by Lydia E. Pinkham's Vegetable Compound.**

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. ENDLICH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

**If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.**

## JUDGE HOPPER'S CHARGE.

Judge P. B. Hopper, in his charge to the Queen Anne's grand jury at Centreville last week among other things said:

"Since the enactment of the statute now generally referred to as The Corrupt Practices Act, it has been the uniform practice in this circuit for the judges to bring it to the attention of each grand jury, in his charge. Pursuant to this practice I say to you that this law cannot be enforced without the full co-operation of the grand juries. You can inquire into the management of all elections and the conduct of all candidates and political agencies and can initiate prosecutions under the act. Judges are powerless to do this. They can only point out your duty to you and it then rests with you whether the law shall be enforced, or not. Every thoughtful person concedes that this law makes for the purification of elections, the security of popular government and the uplift of citizenship, and that it ought to be vigorously enforced.

**Investigate Elections.**

"I therefore say to you that it is your duty to inquire into the way in which elections in this county are held, and into the conduct of the political agents and candidates in such elections. But I caution you to let your inquiries be fair and impartial in all respects and towards all men. Divest yourselves of every political, factional or partisan feeling you may have, in your investigations under this law and regulate your inquiries under it in the same way that you do in investigating any misdemeanor. that is to say, without personal or political bias or prejudice. This law applies to both general and primary elections. It is too long for me to read it to you. Your legal adviser, the State's Attorney, will give you its provisions if you desire them.
