WASHINGTON 11 —ST. JOHN'S 0

Great Day For The Venerable Eastern Shore College—The Whole Team Plays Great Foot Ball.

Capt. Stanley Porter A Tower Of Strength —Merritt Brown And Meredith Make The Only Touchdowns.

John's changed her tactics, but after two ineffectual attempts at straight football failed to gain. Clayton punted to Meekins. Porter returned the kick. Just before the half ended Washington was penalized 10 yards for interference.

Washington Scores Again

The ball was put in play in St. John's possession on Washington's 50-yard line. The soldiers failed to gain and Clayton punted. The kicking duel between Clayton and Porter was continued throughout the rest of the contest, the latter having 10 yards the better of every exchange. The ball was on Chestertown's 15-yard line, and after two attempts to gain had failed Porter punted out of danger. Wilson was downed by Brown. When the Washington line stood up the cadets lost twice and were forced to kick. The ball went behind the goal posts and was put in play on Washington's 25-yard mark.

Porter punted from this point, and the ball was fumbled by Wilson. Garrett fell on it. Porter punted again and Melville ran back 20 yards. Wilson fumbled 40 yards from the goal line and Meredith picked the pigskin up and was off toward the goal. None of the St. John's players realized what had happened until Meredith had got a good lead. He placed the ball squarely between the posts, but Porter failed on an attempt at goal.

St. John's kicked to Porter, who fumbled, but the ball was captured by his right-hand man, Brown. Porter lost 10 yards on an attempted end run, and then kicked 40 yards. From that time on neither side seemed able to gain. St. John's could not cover any ground in three downs, and when Porter got the chance he kicked. Few attempts were made after this to cover ground by straight football, the two punters—Clayton and Porter—being called upon to do nearly all the work. Porter had much the better of the duel, and the play was constantly in St. John's territory. Near the close of the half Biddle was substituted for Brown and Pettit for Melville. The game ended with the ball on St. John's 35 yard line in possession of the cadets. The line-up:

Washington.	*Positions.*	*St. Johns.*
Ciminera	Left end	Thompson
Garrett	Left tackle	Woodward
Jones	Left guard	Gladden
Long	Centre	Welch
Meredith	Right guard	Harris
Wilkinson	Right tackle	White (Capt)
Lewis	Right end	Claude
Meekins	Quarterback	Melville
Brown	Left halfback	Clayton
Branham	Right halfback	Wilson

Touchdowns—Brown, Meredith. Goal from touchdown—Porter. Referee—Thorne, of Haverford. Umpire—Hopkins, of Haverford. Field judge—Brennick, of Harvard. Head linesman, Sayler, of Hopkins. Timers—Wheatley and Gibbs, of Baltimore. Time of quarters—15 minutes each.

Substitutes—McNutt for Gladden, Strong for Branham, Kelly for Lewis, Biddle for Brown, Pettit tor Melville.

A dispatch from Annapolis, dated Nov. 27th, says: "If disappointment was ever visited upon students and alumni of old St. John's College, as well as friends of the institution, it came with the result of the St. John's-Washington College football game Saturday, in which St. John's was defeated by 11 to 0 and thereby lost the claim to the title as the State intercollegiate champions.

St. John's adherents had no more idea that their team would go down before the Chestertown crew than if the contest had been against a team of high school boys. The defeat at the hands of their old rivals of Johns Hopkins, naturally, was a stinging blow, despite the circumstances that were against them in that game, but the Cadets had confident hopes of making the season otherwise glorious by humbling Washington College and thereby firmly establishing themselves as intercollegiate champions of the State. But they faltered, and faltered badly and the team itself is heartsick over the result.

DEM EAST' SHO' BOYS!

Although the Eastern Shore of Maryland contains less than one-sixth of the population of Maryland, it has furnished 18 out of 38 Governors (one less than half) since Robert Wright was chosen from Queen Anne's county, in 1806, and it has furnished five out of the last eight Governors in the last quarter century, including the present Governor-elect Goldsborough.

Dem East' Sho' boys am winnin' boys,
Who git dar straight in line,
A playin' ball or politics,
Most ten times out o' nine.
When one ub dem jes sets his head
On doing anything,
Jes fix your ears, for soon you'll hear
Dem notes ub vic'try ring!

It makes but little diff'rence what
His politics may be,
Dat East' Sho' boy is sure to win
In dis land ub de free;
Dar ain't been one East' Sho' boy run
Since I kin recollect,
Who didn't win de Governor's chair;
(An' long befo' I 'spect!)

It seems de fates hab all conspired
To bless dat Eastern Shore
With mighty crops ub wheat and corn,
An' Gov'nors running o'er.
When Pennsylvania wanted bad
A Democrat to win,
Dey chose an East' Sho' boy to run,
An' Pattison walked in!

It don't much matter where you be,
If where you ought to go,
Right dar an East' Sho' boy you'll see
De center ub de show!
Since Baker hit dem balls so hard
De center ub de map
Is right upon de Eastern Shore—
I think it's name is Trappe!

A people good-dem East' Sho' folks;
Not one saloon have they
On all de Sho'; long years ago
They voted them away—
An' they have gone to makin' homes
Instead of Country Slums;
An' raisin' up some Governors
Instead o' Common Bums!

One of the most enjoyable social gatherings of the season was that held at the home of Mr. and Mrs. William A. Crew, Betterton, on the eve of Thanksgiving, in honor of their attractive daughter, Miss Hazel. The evening was chiefly spent by all indulging in games, jokes and music of various kinds. At a late hour refreshments were served, after which all departed wishing the hostess many more such happy occasions. Among those present were Mesdames William A. Crew, Ida Owens and Beauregard Lewis; Misses Blanche and Edna Lewis, Hazel Crew, Hallye Brice, Hattye Boone, Louise Crew, Edna and Minnie Brinsfield, Myrtle Taylor, Marie Brice; Messrs. Dr. G. Allen Jarman, Messrs. Philip G. Wilmer and P. A. M. Brooks visited Mr. Pierson, near Claiborne, a few days ago and were charmed at his farm and palatial home. He is what our Kent friends call an "agriculturalist." He has cows which cost $1,000 each and hogs which come and eat sugar from his hands.

MASQUERADE PARTY.

A masquerade surprise was given to Mr. and Mrs. Will Owens, on Thursday night last, in Betterton. The costumes were varied and unique and showed great originality. A charming maid of the period of 1812 was present as were dusky belles and their sweethearts. As usual the clown was in evidence with his clever antics, as was the Old Maid, Miss Prim, with her supercilious Air. An interesting character was the girl of the Wild West who was ever ready with her pistol and Topsy was in evidence. The seasons, Fall and Winter as well as Christmas were represented. Other characters of interest were the mourning widow, the baby, the auto girl, one of Uncle Sam's Jack Tars, the Queen of Hearts and other fancy representations. After a most enjoyable time refreshments were served at 11 p. m.

Entertainment.—On Saturday evening next, Dec. 2nd, in Weer's Hall, Kennedyville, there will be given by Mr. Mullineaux, assisted by Miss Virginia Snyder, a trained and accomplished soloist of Baltimore city, a great illustrated Holy Land Entertainment. Mr. Mullineaux has traveled extensively in the Oriental countries and has a great many curios and costumes fresh from Jerusalem, Nazareth, Bethlehem and other places, and his entertainments are exceedingly interesting, instructive, amusing and profitable. You must not miss this rare treat. Miss Snyder will take an active part, singing several appropriate selections in Oriental costumes. You want to see the Holy Land Shepherd Robe and Club; the "Mysterious Woman" of Jerusalem and Constantinople; the beautiful unveiled girl of Bethlehem in robe of 15 colors; the nose-jeweled woman of Egypt and hear Pharoah's daughter, in Egyptian garb, sing a most beautiful selection. You must see the realistic "moving pictures" just as they appear in the land of our Lord to-day, and be instructed and edified by many object lessons which will make more plain to you the Word of God. The habits and customs of the people of the far East, courtship and marriage, will be made plain. Grangers throughout the county must be present to get the benefit of how the land of Canaan, "flowing with milk and honey," is farmed. Come and see the barley bread, the river of Jordan and Sea of Galilee water, and many other curios direct from land made historic and sacred by its being the birthplace and home of our Lord and Saviour Jesus Christ. Entertainment to begin at 7 30 p. m.; admission, adults 20 cents; children, 10 cents. Proceeds for the benefit of the M. P. Parsonage. Should Saturday evening be stormy, the entertainment will be given on the following Monday evening, December 4

Face To Face

¶ There is a fellow in Chicago who has made himself famous by advertising his business with a cut of a bald head showing a back view, and right on the bald spot in black letters were the words: "This is Tom, meet him face to face."

¶ We presume many have been reading these advertisements of ours whom we have not met face to face. We say this in all modesty, and admit by so doing that there are some people in this community who are not yet patrons of this bank. To all such we say "it is never too late to mend," and if you will come around and give us a chance to meet you face to face we shall be very much pleased and know that our facilities for handling your business cannot fail to appeal strongly to you.

¶ Whether you are ready to open an account or not, drop in and see us. You will be made welcome and we shall be more than happy to meet you "face to face."

☞Remember, THE PEOPLE'S BANK is the only bank in Kent county which pays 4% interest on Time Deposits—and *four per cent* instead of *three* means *one-third* more income from your savings.
