Give prompt relief from BACKACHE, KIDNEY and BLADDER TROUBLE, RHEUMATISM, CONGESTION of the KIDNEYS, INFLAMMATION of the BLADDER and all annoying URINARY IRREGULARITIES. A positive boon to MIDDLE AGED and ELDERLY PEOPLE and for WOMEN.

HAVE HIGHEST RECOMMENDATION

S. A. Davis, 627 Washington St., Connersville, Ind., is in his 80th year. He writes us: "I have lately suffered much from my kidneys and bladder I had severe backaches and my kidney action was too frequent, causing me to lose much sleep at night, and in my bladder there was constant pain. I took Foley Kidney Pills for some time, and am now free of all trouble and again able to be up and around. Foley Kidney Pills have my highest recommendation."

M. A. TOULSON.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of KNOWN COMPOSITION. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. *See that you get what you ask for.*

Cured in His Own Home Town

HAGERSTOWN, MD., J. G. Criswell, 540 N. Mulberry Street, a well known painter, tells the way for his fellow townsmen to be cured of kidney and bladder ailments as he himself was cured. "For he last four or five years I have had kidney trouble. There was a severe pain across my back and I could hardly get up after sitting down. The action of my bladder was too frequent, and one day a friend advised me to take Foley Kidney Pills, which I did. Within a few days time the pain left my back and I can now get up and down as well as ever. The action of my bladder became normal and regular, and all this benefit I derived from the use of two bottles of Foley Kidney Pills." Sold by M. A. Toulson, druggist.

AN ALARM AT NIGHT

That strikes terror to the entire household is the loud, hoarse and metallic cought of croup. No mistaking it, and fortunate then the lucky parents who keep Foley's Honey and Tar Compound on hand. H w. Casselman, Canton, N. Y., says: "It is worth its weight in gold. Our little children are troubled with croup and hoarseness, and all we give them is Foley's Honey and Tar Compound. I always have a bottle of it in the house." Sold by M. A. Toulson, druggist.

CLEVER SELECTIONS OF DRESS AND GIFTS

A Settled Plan That Helps To Stretch Resources Three-Piece Rigs And Color Schemes.

To match ones personal cleverness against limited source and so solve the problem that the Christmas season brings up year after year a certain fixed plan must be made and followed. One woman cuts off all but the immediate family with twenty-five cent remembrances yet manages to find acceptable gifts for the trifling amount.

Then for the home people she often combines with other members of the family to purchase a gift that she knows is desired, and that is too expensive for any one member of the circle to buy. Always she saves the bulk of her giving for those who might, but for her, be altogether forgotten, and from the sacrifices that she makes for those comes most of her Christmas joy.

A busy woman who has no time to visit the shops sends subscriptions for magazines, or tickets for some entertaining amusement to her friends. Another gives either a check or flowers. Women who have leisure can make an endless number of pretty and useful things, that have the added charm of personal service yet cost little.

SMART APPAREL

If a woman has clothes sense, perhaps genius is the better word—she can turn out smart apparel for herself and family at wonderfully small cost. To do this successfully she must keep herself informed of all the newest fads and select only those that lend themselves to her material and personal needs. The veiling of one fabric with another enables a a clever manager to work in half worn garments and odd bits of trimming and produce stunning results. At this season the shops offer endless opportunities to pick up limited lengths of material for a fraction of their original cost and the resourceful buyer who knows what she has on hand can often buy just enough lace, net, chiffon or marquisette to transform a passe dress into new effectiveness.

The above design is by The McCall Company, New York, Designers and Makers of McCall Patterns.

THE COLOR SCHEME

Everyone who studies how to look well at a minimum cost should adopt a color scheme and stick to it. Then all the small belongings will match up with one another and changes can be made that increase the usefulness of each garment. Say the color is brown, and one buys only things that will match or contrast well with brown, or the tone may be blue, or gray, or black, if one is not made old by this sable color. It is a mistake to think that black is economical however, for it demands the highest grade in quality and constant brushing and sponging to look fresh. White is a fad this winter and many white gowns and suits that appear extravagant are quite the reverse. White corduroy washes easily and needs only to be shaken out to resume its new appearance. White topped shoes, while extremely dressy, can be readily cleaned if one has the time to do them. These are anything but pretty, if not fresh.

THREE PIECE SUITS

A well-selected three piece suit will fit a woman out for an almost endless number of occasions, from shopping to a reception, lunch or theatre party. Take, for instance, a smartly made suit of velveteen with hat to correspond. When the coat is worn this is quiet enough to pass without notice in a shop, and when the coat is opened, giving a glimpse of dainty waist and frill worn with white gloves and other pretty accessories, it is quite au fait at a tea or reception, while if the waist is smart the wearer will look perfectly dressed when she removes her hat at a matinee. Of course, this is all well known to many women, but too often the woman who must count her pennies loses herself and wastes her substance in odd dresses and coats, with the result that she never looks right.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.
