Announcement

CHESTERTOWN, MD.,
December 11, 1911.

To Our Patrons:

We take pleasure in announcing to you that we have secured the services of Mr. IRA T. LEAGER, formerly of Galena, this county, who has this day assumed charge of our Horse Shoeing, Wagon Ironing and Repairing and AUTOMOBILE WORK of all kinds. Mr. Leager is an expert in his line and we only ask you to try him to prove that what we say is correct. He has made a special study of the shoeing of fast horses as well as roadsters, and he has devoted much time and attention to the repairing of Automobiles. We can refer you to people whom he has helped out of Automobile trouble, which will convince you without question that he can do the work. We have made very many changes in the construction of our FARM WAGON for this coming season, and we are sure beyond a doubt that every one of them will be beneficial to the man who intends buying a wagon. We only ask that you call and see us and look over them before you buy. If you fail to see our New Warner Wheel Wagon you will never know what a good thing you have missed until you see your neighbor's. We assure you that the addition of Mr. Leager to our already skilled force of mechanics puts us in a positton to do any and all kinds of wood and iron work with promptness and dispatch, and we think we are able to give better and more prompt service than ever before. We are prepared to handle MILL WORK of all kinds, such as can be done in a mill equipped for both wood and iron work. We thank each and every one for the liberal share of patronage with which we have been favored, and we trust that with our improved facilities and with fair and square dealing we shall merit a larger share than we have heretofore received.

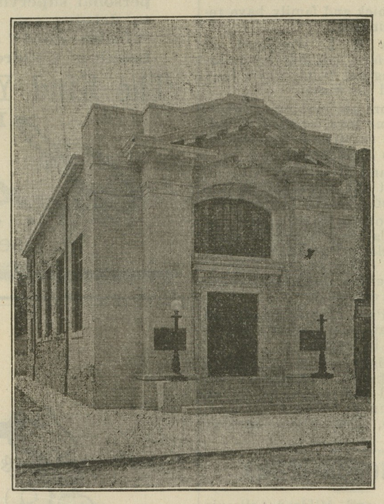

Wishing each one of you the compliments of the approaching season, and anticipating your future favors, which we promise our best attention, we are

Faithfully Yours,
DAVIS & SATTERFIELD.

YOU CAN RAISE 100% OF CHICKENS HATCHED

PRAISE WHERE PRAISE IS DUE.

"I have been most successful with my incubator chickens this year, having raised 100 per cent. of chickens hatched In former years I was only able to raise about 40 to 50 per cent. Then I fed them on home products, but this year I am feeding Bolgiano's "Square Deal" Foods entirely, and atribute my success to your nicely balanced foods. My hatches were made with one of your Buckeye Incubators. I tell you this because I believe in giving praise where praise is due."—Written on September 26th, 1911, by Miss Lulu Thomas, of Pearsons, St. Mary's county, Md.
