Mrs. S. E. Sutton left Kent last Tuesday for Baltimore, where she will spend two weeks, after which she will leave for Los Angeles, Cal., where she will spend the winter with her daughter, Mrs. Daniel B. Miner. We wish her a pleasant trip.

REV. J. A. MITCHELL DEAD.

Rev. James A. Mitchell, 72 years old, rector emeritus of St. Paul's Protestant Episcopal Church, Centreville, Md., and well known throughout the Eastern Shore, died Sunday morning at the Church Home and Infirmary, North Broadway, Baltimore, after an illness of two months from internal trouble.

Mr. Mitchell was ordained about 50 years ago and his first charge was as chaplain of the Church Home and Infirmary. He held this position for several months and then was placed in charge of a parish in Southern Virginia. Later he was placed in charge of a church at Trappe, Talbot county, Md., and 29 years ago became rector of St. Paul's Church

Eight years ago he was made rector-emeritus of the church and was succeeded by Rev. Walter B. Stehl, a Baltimorean and the present rector of the church. Since he retired from active duties he had filled vacant pulpits in many of the churches on the Eastern Shore.

Mr. Mitchell was held high in esteem of all those with whom he came in contact. He was a man of keen judgement and his opinion on different questions concerning the work of the church in the southern part of the State was eagerly sought. He was dean of the Middle Convocation and chairman of the standing committee of the diocese of Easton.

His wife died October 16 last and many of his friends say he did not recover from the shock. He is survived by two daughters—Mrs. Clayton Wright and Miss Susan B. Mitchell—two sons—Messrs. James A., of Trinity College, Hartford, Conn., and John McK. Mitchell, of Yates, School, Lancaster, Pa—and two brothers—Rev. Walter A. Mitchell, of Washington, and Dr. Andrew B. Mitchell.

KENNEDYVILLE NOTES.

Mr. James Pote and Mr. Harper Webb and families have moved to Wilmington Del., and Mr. Benjamin Dill and family will move to the same city in a few days. Mr. Webb has accepted a position in a large grocery store in the above named city.

Dr. and Mrs. J. W. Urie and Mrs. Lula Dukes made a trip to Baltimore the past week by way of Betterton.

Mr. and Mrs. Tilghman Shafer attended the State Grange meeting and "Home coming week" last week in Baltimore in the Armory Building. Mr. Shafer was delegate for the Kennedyville Grange.

Miss Lula Vandyke was called to Cecilton, Cecil county, last week to see an aunt who was very ill.

Mr. Richard Haggerty will have a most convenient home in Kennedyville when his new house is completed. It is to be heated by a hot water plant, and to be finished with all modern improvements.

A number of our people attended the funeral at Galena Sunday afternoon of Mr. Henry Parr who died last Wednesday night at the age of 78 years. Mr. Tilghman Shafer and Mr. Wm. T. Hague were among the pall bearers.

Rev. and Mrs F. H. Mullineaux spent the day recently with Mr. and Mrs. Charles N. Satterfield, of Chestertown.

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY

There was an old woman who lived in a shoe,
She had so many children she didn't know what to do,
She had so much trouble to keep their clothes clean,
Till she got Fels-Naptha, with the wrapper red and green,
Now her washing's easy, clothes are cleaner, too,
Isn't it a good thing, she found out what to do?

Here's an arithmetic problem that's worth figuring out.

How many hours do you spend each week in washing clothes?

Multiply the number by 52.

Then divide the total into two parts and one of those parts is how much time you would save in a year by using Fels-Naptha Soap.

You would likely save more.

Most women who use Fels-Naptha Soap do their washing in less than half the time it would take in the old way.

And with one-fourth the work.

And without any extra expense for fuel because Fels-Naptha Soap cleanses clothes in cool or lukewarm water.

No boiling; no scalding; no steaming suds. Summer or Winter.

Don't spend more of your life than's necessary in washing clothes.

Do them the quicker, better way—the Fels-Naptha way.

Just follow directions on the red and green wrapper.

Victor Fine Ground Limestone

THE BET WAY TO LIME: The United States Government and the Pennsylvania Agricultural Experimental Stations are now recommending Finely Ground Limestone as the best way of applying Lime to the soil. It does not destroy manure, there is no danger of burning your crops, it keeps for years, and can be applied at any time or season.

EASIEST AND CHEAPEST TO USE Comes packed in canvas or paper bags. Can be easily handled, and kept in storage indefinitely, without change or loss. No more laborious slacking, no more choking dust, nor scalding burns. Can be drilled into the soil, or sowed on the surface and harrowed in. Saves half the cost of the old way of applying Lime. Is cheaper and better.

GIVES MAXIMUM RESULTS It has been proved that very Finely Ground Limestone produces, as a fertilizer, the same results pound for pound as air slaked Lime, or any other commercial fertilizer, and because VICTOR Fine Ground Limestone is the purest, most Finely Ground Limestone on the market, and because it destroys no manure or crop, it gives much better results than any other burned or hydrated Lime made.

See your local agent or write.
