Foley Kidney Pills

TONIC IN ACTION - QUICK IN RESULTS

Give prompt relief from BACKACHE, KIDNEY and BLADDER TROUBLE, RHEUMATISM, CONGESTION of the KIDNEYS, INFLAMMATION of the BLADDER and all annoying URINARY IRREGULARITIES. A positive boon to MIDDLE AGED and ELDERLY PEOPLE and for WOMEN.

HAVE HIGHEST RECOMMENDATION

S. A. Davis, 627 Washington St., Connersville, Ind., is in his 85th year. He writes us: "I have lately suffered much from my kidneys and bladder I had severe backaches and my kidney action was too frequent, causing me to lose much sleep at night, and in my bladder there was constant pain. I took Foley Kidney Pills for some time, and am now free of all trouble and again able to be up and around. Foley Kidney Pills have my highest recommendation."

M. A. TOULSON.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

Cured in His Own Home Town

HAGERSTOWN, MD., J. G. Criswell, 540 N. Mulberry Street, a well known painter, tells the way for his fellow townsmen to be cured of kidney and bladder ailments as he himself was cured. "For he last four or five years I have had kidney trouble. There was a severe pain across my back and I could hardly get up after sitting down. The action of my bladder was too frequent, and one day a friend advised me to take Foley Kidney Pills, which I did. Within a few days time the pain left my back and I can now get up and down as well as ever. The action of my bladder became normal and regular, and all this benefit I derived from the use of two bottles of Foley Kidney Pills." Sold by M. A. Toulson, druggist.

SCORES SEE DYNAMITE AT WORK NEAR PRICE

Progressive Farmers' Club Held Interesting Show On Appleford Farm Thursday Afternoon

Charge after charge of powerful dynamite exploding beneath gigantic trees, opening up huge ditches and shattering hard earth and wood like so much chaff. This was the demonstration arranged by the Progressive Farmers' Club, of Price, this county, on the B. L. Appleford farm, near that place, last Thursday afternoon, which was watched by about 225 persons from all sections of the county, including those from the towns of Church Hill, Centreville, Barclay, Chestertown, Bridgetown, Hillsboro, Hayden, Sudlersville and other parts.

Taken altogether, it was one of the most wonderful shows in scientific farming along really modern and up-to-date lines ever witnessed by the agricultural interests of Queen Anne's county, and all present were thoroughly impressed with the wonderful possibilities advanced by the use of this powerful explosive in any and all qualities of land.

The show began with a demonstration of blowing out holes for planting trees. Small charges of dynamite were placed in the ground and the fuse touched. In the twinkling of an eye there was a resonant, rumbling roar and what had been smooth, hard soil was a deep excavation with loose, broken earth at the sides.

A demonstration of ditch digging was next given through a swampy field, filled with many stumps. The charges were placed at intervals of every 18 inches and were buried about 3 feet in the ground. A fuse was attached to the charge in about the central part of the line of charges and a match touched it. Several moments passed and the spectators fled to a place of safety. When at a safe point the explosion came, and upon their return there appeared before their gaze a neat well-dug ditch, about four feet deep and seven feet wide. It was as if some fairy had passed a magic wand over the scene and blotted out the old scenery to give place to the new.

Then came the exhibit of blowing out trees. A fair-sized tree was selected for the experiment and small charges were placed at intervals of every few inches around the foot of it. This was done that the tree might be blown out without shattering the trunk. A fuse was attached to one of the charges, and, as in other cases, the one to which the fuse was connected exploded and the concussion made the explosion of the other charges simultaneous.

A number of stumps were blasted simultaneously. These were fired from a safe distance by means of electric batteries connected with the charges by wires. A number of other demonstrations along this line followed.

The exhibit was conducted under the supervision of the Dupont Powder Company, of Wilmington, and the dyanamite was furnished by Harry E. Walls, of Church Hill who has accepted the agency for the explosive and already has a large stock on hand.—*Centreville Observer*,

BENEFICIAL PERIODICAL

Of Interest To Every Devoted Southerner

The Confederate Veteran, Nashville, Tenn., requests notice in every Southern Newspaper. It disseminates information about soldiers of the war on both sides; it has long represented officially every general Confederate organization, and is enthusiastically supported by the men and women who are familiar with it. While ardently loyal, as its name indicates, it is so dignified in tone and so patriotic that it maintains not only the respect but the good will of "the other side."

The Veteran is doing an important work in helping to establish records for dependent men who wore the gray and the widows of such who seek pensions. Besides, it secures intercommunication between friends of the long ago whose inquiries are printed gratuitously.

The Veteran is printed on fine paper and is illustrated with high-class engravings. It is one of the most creditable magazines in the country (price $1 a year), and the Editor prides himself in the assertion that in the distribution of over four million of copies he has not heard of fourteen complaints.

S. A. Cunningham, the founder, who has been at the helm these nineteen years, requests this notice and that all who may be interested will write a postal for sample copy.

MAN.

A man's life is full of crosses and temptations. He comes into this world without his consent and goes out against his will, and the trip between the two is exceedingly rocky. The rule of contraries is one of the features of the trip. When he is little the big girls kiss him; when he is grown up the little girls kiss him. If he is poor he is a bad manager; if he is rich he is dishonest. If he needs credit he can't get it; if he is prosperous everyone wants to do him a favor. If he is in politics it's for pie; if he is out of politics he is no good for his country. If he doesn't give to charity he is a stingy cuss: if he does, it is for show. If he is actively religious he is a hypocrite; if he takes no interest in religion he is a hardened sinner. If he gives affection he is a soft specimen; if he cares for no one he is cold-blooded. If he dies young there was a great futuae before him; if he lives to an old age he has missed his calling. If he is a Progressive, he is against the Government; if he is a standpatter, he is with the interests.—Selected.

IN MEMORIAM.

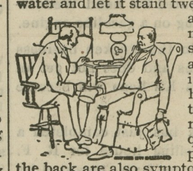

In loving remembrance of Mrs. Cora Jewell Boulden who departed this life on December 17, 1909.

She has left us wife and sister.
And her loss we deeply mourn;
As we loved her, so we'll miss her
'Till that glad and glorious morn.
Oft at eventide she'd come
With a laugh, perhaps a smile.
"Sister your house seems like home,
I can only stay a while."
How we've missed her these last years,
Since her voice we hear no more;
While she's missed this vale of tears,
We've missed the happy smile she wore.
When come the final summons clear,
She cried, 'Mama's coming from on high!"
Then to the one she loved so dear,
Said, "Husband meet me in the sky."
And her work on earth was done
'Ere her life had well begun.
By her sister and husband.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of **Swamp-Root** is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

The Rayo Lamp

It Never Flickers

The long winter evenings give a woman a splendid chance for sewing or embroidery; but her eyes suffer from the strain unless she has a good light.

The Rayo is the best lamp made.

It gives a strong, diffused light that is remarkably easy to the eyes. There is no glare to it; no flicker. It lights up a whole room. The Rayo is an economical lamp, too.

You get the most possible light-value for the oil burned; and the Rayo itself is a low-priced lamp. Yet it is a handsome lamp—an ornament to any room in the house.

The Rayo Lamp is easily lighted without removing shade or chimney; easy to clean and rewick. Made of solid brass, nickel-plated; also in numerous other styles and finishes.

Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the
