

as the Subscribers being informed by M^r Robert Key and M^r Joseph Clarke that
 latter had ascertained for the former the Quantities and value of the Work
 said Key has done for the Trustees for Building a Church in the
 of Amnapolis - and that the said Trustees had refused paying the
 accounts rendered - and had employed other Persons to ascertain
 said work in their Behalf - which Persons ascertained full
 of said Clarke - and that the said Trustees had refused to
 be into articles to bind themselves, on any determination
 Refused whereby the said Robert Key - is subject to a longer
 pay of Receiving his Just Due, (earned all by Labour) although
 has already been in the most necessitous circumstances these
 months past - wishing to Alleviate his Distresses - and to
 Justice to the Trustees by ascertaining with Impartiality
 company with said Joseph Clarke whose has reconsidered his former
 statement & Estimation) the value & quantity of said Work
 for the Trustees - we have determined as follows - That the
 Done of which the Articles (produce) does not fix price there,
 sitting of Bond timber, Linole, wooden Boards, Timber (such as Plank
 Boarding, Boarding Roof, Bracketing for Cornice, Scaffolding,
 ular Ribs, all the Work in the Suple above the Ridge of
 Roof of the Church - is worth on a moderate Estimation
 Hundred and Sixty five Pounds 8/6 - July 13th 1790 -

that there is done according to Agreement	265	8	6
