Notice to my Creditors.

Gentlemen,

With great deference I beg leave to relate to you, that the ungrateful and the inhumanly cruel ... [illegible] *of one of my debtors, which he already has exercised, to ruin me and my children, and to deprive me of all ... possible means to pay you, the bonds of sympathy ... able to conceive.*

He has held, at various periods, for nearly nine years, from seven to nearly sixteen thousand dollars of my property. At present he holds more than will pay ... forty shillings for every twenty shillings I owe to the world, including all the suits falsely brought against me for debts I contracted on account and on receipt for Martin, Nicholson and Greenleaf. But these ... [illegible] *... many years ... with false promises, fabricated accounts, ... Lastly, he has forbidden me all intercourse with him. Must I now, at that late period of life, submit to the law and its delay? He has already reduced me, by blinding me with hypocritical avowals, in this place, near three years, out of all manner of employment, with a very large family to maintain.* [illegible]

The first is, that I may be at liberty from demands ... Second, that I cannot command my property to pay ... Third, that I may ... [illegible] *... Mr. William M'Creery ...* [illegible] *... in May 1796. And I am sure that ...* [illegible] *... the principal interest and costs of Mr. Wm. M'Creery ... were he to be sold at sheriff's ...* [illegible] *... I am, gentlemen, with the most grateful respect,*
