land are covered with abundance of good timber.
The land in cultivation is remarkable for producing
excellent crops of wheat, rye, corn, oats, &c. &c.
and the neighborhood, from long experience, has
been found to be exceedingly healthy: it has also
the great convenience of lying within two miles of
four merchant mills. It has lately been surveyed
and bounded. An indisputable title will be given
to the purchaser on compliance with such contract
as may be made.

One of the subscribers has for sale, a Merchant
Mill and ninety acres of Land, lying within half
a mile of Liberty-town; the land is chiefly in
woods; the mill is in good repair and the situation
for custom and merchant work is extraordinary
good. He has also for sale, five Lots, with Houses
sufficient for the accommodation of a large family
in the most eligible part of Liberty-town. Also
twenty-seven acres of excellent bottom land, all in
timber of the heaviest kind, lying about three
miles from Liberty-town, 40 acres whereof are
convertible into the best timothy meadow. Also
a tract of Land lying in Bedford county, state of
Pennsylvania, containing 250 acres patented land,
and considered equal in quality and situation to the
greater part of lands in that county. Good titles
will be given to the purchaser or purchasers on their
complying with the terms of contract. Any per-
son inclining to purchase the whole or any part of
the above property shall have it shewn to them and
the terms of payment made known by applying to
the subscribers living in Liberty-town. Posses-
sion of any part of the whole may be had this fall.

Thirty dollars reward
FOR apprehending a very unprincipled negro
man, named **Barnes**, who absconded last
evening. He is 26 years old, very black and firm
made, about 5 feet high, has a down look and
fingers very much when he attempts to speak.
His dress is uncertain, as he stole a pair of silk
stockings, a patterned vest, and sundry other things,
his working clothes consist of a kersey jacket,
Osnaburg shirt and two linen trousers. If taken
within ten miles of home, I will give five dollars;
between ten and twenty miles, ten dollars; and if above
twenty miles, twenty dollars, and all reasonable
charges if delivered to me in the upper part of
Anne Arundel county, state of Maryland.

the Winchester (the turn-pike road runs through a
considerable part of these lands). The tract be-
gin about 17 miles from Baltimore, within a few
hundred yards of Cold Spring town, and extends
to the distance of about 22 miles from Baltimore,
and lies on the main falls of Patuxent river, from
35 to 4 miles thereon. It will be sold in tracts of
30 to 800 acres. There is a large proportion
of meadow and wood land on each tract, some of
them highly improved with excellent buildings,
and fine grails.

Also, a tract of 700 acres of land, called **Clav-
er Farms**, within 5 miles of Bladensburg, esteem-
ed very good for grain. Richard Poulsonby of
Bladensburg will shew this land to any person in-
clined to purchase.

Also, a tract of land of about 330 acres, within
about 2 1/2 miles of the president's house, in the Fe-
deral city. It is nearly all wood land, and a fine
high prospect, from which may be seen the city of
Washington, Bladensburg, Alexandria and part
of Georgetown, and many miles down the Po-
tomac river. Richard Poulsonby of Bladensburg,
will also shew this land.

A liberal credit will be given for the greatest
part of the purchase money; the terms will be
made known at the day of sale.

Notice to my Creditors.

GENTLEMEN,
WITH great deference I beg leave to relate to
you, that the ungrateful and the implacable cru-
dity of one of my debtors, which he already has intimated
to ruin me and my children, and to deprive me of all
possible means to pay you, the heart of sympathy is un-
able to contain.

He has held, at various periods, for nearly nine
years, from eleven to nearly sixteen the land and shares of
my property. At present he holds more than will pay
forty shillings for every twenty shillings I own in the
world, including all the full falls brought against
me for debt. I contracted an account and an agent for
Morris, Nicholson and Greenleaf. But these suits
and all the immense losses I have sustained by these peo-
ple's buid, never did me any good. I am now a poor
man, but my annual rent, which I have paid, with
false promises, fabricated accounts, and with a turn-
pit assistant, he has kept on me a load of enormous
mortgages, which they have made take the wisdom
of Solomon to unravel. I have been forbidden to
all intercourse with him. At last I have, at my late
period of life, fallen to the low and degrading
of being reduced to me by dividing me into two equal
annuals, in this place, near three years, out of all
manner of employment, with a very large family to
maintain. I am unable to prosecute the most trifling and
most innocent law suits—much less one against him that
may be defended by him with every opposite to innocence
and honesty. Gentlemen, it is with pain that I am
I am the circumstances deduced, and those that will fol-
low, obligate to inform you that I have decided, with con-
sent to me an act to relieve me from my embarrassments.
The first is, that I may be at liberty from demands which
I cannot command my property to pay. Second, that
I may then, once more, have an opportunity to procure
a livelihood for my children. Third, that I may re-
trieve my full to various suits, brought against me for
debts due to Morris, Nicholson and Greenleaf. Lastly,
to release my full to a full for debts of 2000 dollars,
brought against me by Mr. William M. Greenleaf, who
also did the same against my father. Notwithstanding
Mr. William M. Greenleaf, from Equity, induced him
with 4 years pay of execution, although the bonds,
four of them, were of seven years date. I might
pretend that when the 4 years, including interest,
Mr. William M. Greenleaf will have as much trouble to
procure the money, and it will take as long a time as it
would had Mr. William M. Greenleaf been with him
in May term, 1796. And I am sure that the original
mortgages, which is the ultimate resort, will never
pay the principal interest and costs of Mr. Wm. M. Green-
leaf's lands and mine, with any to be said at this time.
I am, therefore, this day, or as soon as possible, to ruin
me, you, and my children. I am, gentlemen, with the
most grateful respects,
Joseph Clark.

animal, he had the following marks: a small
mark on his hind foot, a small mark on the side of
his head, and a small mark on his left thigh. He
was a very good animal, and I got him again,
charges paid if brought home.
