HEMSLEY'S VEGETABLE TONIC.

PREPARED BY
R. F. HEMSLEY,
PHARMACEUTIST—Easton, Md.

NO MEDICINE has acquired in so short a time so deserved a popularity; and none is prepared to present so honorable an array of certificates from the **FACULTY OF MEDICINE** and private individuals throughout the State as Hemsley's Vegetable Tonic. In moderate doses, regularly taken, this medicine is a sure preventive of **Fever & Ague** and **Bilious Fever**, while it affords in most instances a permanent cure when employed for the removal of these diseases. In all cases of general debility arising from old age, protracted illness, or uniform delicacy and feebleness of constitution, it is without question one of the most agreeable and efficient tonics ever offered to the public. Let all who are afflicted apply to this remedy with the full expectation of perfect relief. It promises nothing which it is not competent to perform; and must, in a very short time, be the remedy preferred to all others in the various forms of **Fever and Ague** and in cases of general debility. Full directions for using it will accompany each bottle.

Certificates.
The undersigned, Physicians of Baltimore, having been made acquainted with the ingredients composing "Hemsley's Vegetable Tonic," have no hesitation in saying that the compound, if properly used, cannot fail to confer a cure on the accomplishment of the object proposed in its employment, and do therefore cheerfully recommend it to the afflicted public.

J. K. MILLER, M. D.,
Former President of Washington Med. Col. and Profes. of Anat. Physiology, &c. &c.

THOS. OWINGS, M. D.,

The preparation made by Mr. Hemsley, Apothecary, Easton, Md., and known as "Hemsley's Vegetable Tonic," is in my opinion the best article ever offered to the public for the radical cure of that distressing affection, **Intermittent Fever**. This composition forms a pleasant bitter, and furnishes a most desirable tonic in cases of constitutional debility resulting from natural infirmity or the ravages of disease. I have recommended this medicine extensively in my practice and have always found it to answer the desired purpose.

CHRIS. C. COX, A. M. M. D.

Mr. R. F. Hemsley, Sir:—This is to certify that for a long time I labored under the debilitating influence of that dreadful disease, **Ague & Fever**, and had recourse to many remedies recommended to me by Physicians and others, all of which proved unavailing. I heard of your celebrated "Vegetable Tonic," of which I procured two bottles, and before I had taken it all I was entirely restored, and have not since felt any symptoms of its return. It has accomplished more in my case than all other remedies put together, and I most cheerfully recommend it to all those persons who may be laboring under this most wretched disease.

Citizens of the United States,

Let it be remembered that **Brandrell's Vegetable Universal Pills** have now been before the citizens of the United States for nearly six years, and used by hundreds of thousands! They are so well known that it need scarcely be mentioned that they are a "Purgative Medicine," so "justly balanced" that the "experience of a century" has proved that they may be taken in any dose, according to Nature's requirements,—and this rule refers to both sexes and all ages. They have been used in every variety of derangements of the human body, and yet, when properly used, never failed to restore to health, except in those cases where nature was exhausted before the pills were commenced with.

Experience has taught that **Brandrell's Vegetable Universal Pills** remove all corrupt humors from the body, in an easy, safe and effectual manner; producing no effect but what will finally conduce to the perfect purification of the Blood, and thereby cure the disease, (whatever name it may be called,) and give perfect health to the whole system. Remember, Druggists are not permitted to sell my Pills—If you purchase of them you will obtain a counterfeit.

STAINBURN'S

VEGETABLE EXTRACT PILLS.

THIS MOST POPULAR OF ALL MEDICINES has truly gained the confidence of the many thousands of sufferers who have used it in many forms of disease, with UNFAILING SUCCESS.

The following complaints have always been cured when the Stainburn Pills have been taken according to the directions which accompany each:—
Dyspepsia, Coughs and Colds,
Costiveness, Rheumatism,
Bilious complaints, Fever and Ague,
Liver complaints, Scrofula, Worms,
Cholic, Biles, Measles, Small Pox,
Eruptions in the Skin.

A vast number of communications have been received by the proprietor, each proving a cure of some of the above diseases, and which might here be introduced, would space permit, but it is hoped the following will be sufficient to place beyond all doubt their curative virtues:

From **DR. REED, of Virginia.**
Norfolk, June 12, 1844.

Dr. Stainburn:—Sir: Since I last wrote you, I have seen several persons who have been using the Vegetable Extract Pills, and in every case they have proved themselves worthy the name they bear. A young man by the name of John Forsythe, had been wasting away in a seated consumption for several years, and by using the Extract Pills for about two weeks, his cough, pains, &c., left him entirely, and he is now so well as to be about his ordinary business. Indeed, sir, from the rapidity of the sales, the value of your pills may be safely discerned. I am entirely out, have daily calls for them, and you would forward me more as soon as possible. Yours, &c., **THOS. S. REED.**

[From Massachusetts.]
Worcester, June 17, 1844.

Dr. Stainburn:—My daughter, who had been suffering cough, raised a great quantity of phlegm, and who was afflicted with palpitation of the heart, had taken a box of your Vegetable Extract Pills, and is now quite well. Others bear testimony to their good effects. Yours respectfully,
JOHN STRIKER, Jr.

[From Pennsylvania.]
Easton, July 1, 1844.

Dr. Stainburn: I have considerable matter to tell you concerning the Extract Pills, where they have performed cures, than those who have bought them had scarcely any faith in their effects. There is a lady here, now able to attend to her domestic concerns, who was, at the time she commenced taking them, confined to her chamber, and prostrated on her bed. I will tell you more when I see you: please credit my account with the enclosed twenty dollars; and send me by the better another gross of pills. Respectfully, &c., **Geo. S. SMITH.**

[From Connecticut.]
New Haven, June 27, 1844.

Dr. Stainburn:—Your Vegetable Extract Pills have had wonderful effects in several cases in this town: I sold a box to a man who had been sick with consumption and rheumatic complaints for four or five years, and who was unable to dress himself without any trouble, and think he has wholly recovered. I am quite out of the pills; will you send me a lot by the first opportunity? Yours in haste,
R. W. SMALLEY.

The Pills are sold Wholesale and Retail at Dr. Stainburn's office, No. 7 Ann Street, and by most of the respectable Druggists in New York. Also, by one agent in each village in the United States.

CAUTION TO AGENTS.
The immense demand for the Stainburn Pills has induced some unprincipled rascals to make a counterfeit, and hawk it about the country; but let agents be aware of these persons, and remember that he who sells a counterfeit medicine, or encourages such a villain, is as much to be shamed as the person who makes a bad bargain. Let him not be housed or lodged in your houses and from your villages, as you would drive away a dangerous pestilence; for be assured the creature who could sell to you a counterfeit pill, to rob you of your health, is base enough to carry the assassin's knife and take away your lives.

My travellers are each furnished with a power of attorney, signed Jas. W. Stainburn, and proved before a Notary Public of the United States, and also by the Clerk of the city of New York; they also bear the Notarial Seals of the United States and the City of New York. You will therefore please to preserve this advertisement, and should any person offer you my medicine without such power of attorney, do not deal with him for your own credit's sake, but point to it, and say, "Thou art the man to be despised and shunned."

N. B.—Agents who may desire supplies of my pills before my travellers call upon them, will please forward their orders per mail to No. 7 Ann Street, and oblige their obedient servant,
JAS. W. STAINBURN.

CLICKENER'S SUGAR-COATED VEGETABLE EXTRACT PILLS.

A Medicinal preparation is herein announced which has been long desired, and sought for, and which the public must at once see and acknowledge the advantage of. It is a purgative pill, COATED with SUGAR, so that it leaves no taste whatever of its internal ingredients. In fact the medicine is so entirely disguised that if a person were to swallow the pills without being informed what they were, he would believe them to be simply humors, or great purgative effect suspect that he had been taking medicine, for these pills are so skillfully prepared that they do not gripe the bowels; and thus the patient who takes them avoids two evils which attend all other purgative medicines; namely: nausea and pain.

Medicine administered in all other sweet forms has the disadvantage of being mixed with the sugar, and hence produces a disagreeable flavor, which, to most persons is more disagreeable than unadulterated bitterness. In these pills this is altogether avoided; the sugar and the medicine being entirely distinct from each other, so that the former must be thoroughly removed before the latter can manifest itself to the taste. It is universally known that nearly all diseases originate with impurity of the blood. Pure blood is therefore essential to health. We must not, however, wait until the blood is impure, for then it takes time—and that time passed in ill health—to
