are made of sterner stuff than that .thstanding our own decided preferences, of the Great Cause demands the sacri-Ay, -if any other man, having suitable ons, (for we never will vote for a man ot qualifications)—can better unite the of the Opposition—we are for yielding e for the sake of driving from power the and corrupt band of adventurers who ol of the government. Such have been and we have taken frequent occasion them known.

re movements, however, among the friends ndidates, which we have some time past obh deep regret. It is in effect, to play the s to produce an impression upon the Delee convention, that Mr. CLAY cannot comvotes in this or that quarter of the Union, ne other man would. The same game of nterference by letter-writing and personal which lost us the election in 1836, is now fa second time—and if persisted in, we unly say it will be attended with the same Thigs have at heart. The friends of Mr. not improperly urge his claimes, to the dethe cause, nor can they be expected to rent, while they beheld an improper influence to be exerted by indiscreet friends of other s, against him. All they ask is an open fair play. And whoever shall be nominawill they cordially support.

was there a more idle hope than that of taopponents. The moment the Whigs nomir candidates no matter who he may be-as nson said, no matter 'if pure as the angele' stant is the whole artillery of the VAN Buty levelled against him-and not a solitary n their ranks is ever gained. We not only feat in such a case, but we forseit our own nion, and gain the contempt of our triumphrsaries. We might pursue these reflections, re caily forced upon us by the events we see before us-but they are any thing but pleasne who, desiring nothing but the good of the heart.

LAY himself, in his admirable reply to the of Buffalo, thus eloquently alludes to his own . There is a frankness and self-sacrificing his declarations, that ought not to be forgot.

y name creates any obstacle to cordial union rmony, away with it, and concentrate upon dividual more acceptable to all branches of position. What is a public man worth who ver ready to sacrifice himself for the good of atry? I have unaffectedly desired retirement. sire it, when, consistently with the duties and ons which I owe, I can honorably retire. No soldier, covered with scars and wounds, inn many severe battles, and hard earned camever received his discharge with more pleaan I should mine. But I think that like him, t presumption, I am entitled to an honorable
