A severe sprain entirely cured with one bottle of the Liniment.

New York, June 19, 1845. Dear Sir:-It affords me pleasure to comply with your request, and add my testimony to the excellency of Hunt's Liniment as an outward application for the cure of sprains, bruises, &c. Last winter I sprained my ancle badly, and was sometime confined to the house. The injured part was very much swollen, and the pain intense; after trying a variety of remedies, I made an application of your Liniment, and found from its use speedy relief .-Speaking from my own experience, I can confidently recommend it as a valuable medicine in cases like the one in which I tested its qualities.
