The subjects ma be classed thus :- France and her Revolu tions, Germany, Austria, Prussia, Russi Turkey, Spain, Italy and the Popedor Great Britain and Ireland-to close with rapid view of our own Republic.

To be delivered in the M. P. Church. The third and fourth Lecture on Thur day and Saturday next, 15th & 17th inst. March, at 7 o'clock, P. M. Feb. 28, 184

County Commissioners Notice FITHE board of commissioners for Do chester county, will meet in their office at the court house in Cambridge, on MOI DAY the second day of April next, and co tinue to meet from day to day (Sabbath e cepted) for the space of ten days, or duri the spring term of Dorchester county cou for the purpose of hearing appeals, noti

transfers and adjusting assessments. It is very desirable that persons having a peals to make, transfers to note or accoun to adjust, will make application within the period particularly appropriated for that pr pose; as there will be other business of i portance to engage the attention of the box for the residue of their session. Accoun against the county will be received, exa ined and passed or rejected, at any time d ring the session of the commissioners, pr to the 25th of May, after which no accou will be received. The board will exp every account presented for allowance be proved according to law, without resp to persons or office.

The Board will meet on Monday the 16 of April for the special purpose of appoi ing constables, overseers of roads and ke ers of ferries. By order

WM. REA, Clerk,

TRUSTEE'S SALE Of a Valuable Farm and B lightful Residence, On Chicknamacomico River.

DY virtue of competent authority the s scriber will offer at public sale on MONDAY the 2nd day of APRIL n At the Court House door, in Cambridge 12 o'clock, M., all that valuable farm plantation, lying and being in Dorches county, and now in the occupancy of Thomas Gambrill. This farm is beautifu situated on the Chicknamacomico riv within six miles of the Big Mills, and th miles of the Drawbridge. The situation healthy, and combines all the advantages a water location—fine fishing bay, oys are brought within eighty yards of the do and all kinds of fish are to be had in ab dance in their season. The farm is laid into three fields of about 150 thousand ea and each field is plentifully supplied v fresh water in the dryest seasons. The is naturally productive, with a clay foun tion, and is highly susceptible of impro ment. Inexhaustible sources of manure ist on the farm. There are five acres of loam, intermixed with shells, that can taken down from 12 to 18 inches, besi swamps and branches that will afford an calculable quantity of rich manure. Th is a good orchard of various kinds of ir of choice quality. The farm contains at 384 acres—a due proportion of which covered with timber and cord-wood.

smoke house—carriage house stables—granary—and other cessary out buildings, all in tolerable re-To persons desirous of securing a hea residence and a productive farm, with all luxuries the water can afford, this farm fers inducements that are seldom to be with. A further description is unnecess as it is presumed those who wish to chase will examine the premises for the selves. The terms of sale will be one for cash on the day of sale—the residue credit of one, two and three years, bea interest from the day of sale, secure bond and security approved by the sub ber. Upon the payment of the entire chase monny a good and sufficient deed be given, conveying to the purchaser a disputable title, against the claims of all sons whatsoever. Possession will be a on the first day of January next, with privilege of seeding small grain next aut There will be a reservation of half an where the grave yard is located. The above property will positive sold on the day above mentioned.

improvements consist of a two st
