Cherry and Sarsaparilla. FIHE Wild Cherry and Sarsaparilla, which are ington county, Md., of Jan. 6th 1848, says of it, "A Sovereign Balm.—We are not in the habit of puffing medicines, but having tested the virtue of Dr. Martin's Syrup of Wild Cherry, we must, in justice to him and the public, The following sonnet was addressed to say that it has proved a medicine worthy of the the proprietor by a Young Lady who was cured confidence of those afflicted with Coughs, Colds, Asthma, Whooping cough, and that fell destroyer, Consumption. It had performed several important cures in this neighborhood, (certificates of which we will publish shortly) among which was the wife of the editor of this paper, who had been laboring under a serious cold for some three years, accompanied with a bad cough, and which was evidently rapidly verging into consumption. One Bottle and a half wrought a sound cure. Such a medicine is worthy of all commendation Those laboring under attacks, like stated above, should not delay its immediate use. Read the following:

November 18th, 1848. Dear Sir: I take great pleasure in saying to you that Mrs. Ross has been entirely relieved from her cough by the use of your Syrup of Wild Cherry. It had continued for fully eighteen months. She had used several preparations of the wild Cherry now in popular use, but Price 50 cents per bottle, or 6 bottles for not with the slightest benefit; until she took your's. She only took six bottles, and I am 2m deep decline.
