HEMSLEY'S WORM-DESTROYING SYRUP.

Prepared by R. F. Hemsley, Chemist and Pharmacist, Easton, Md.
WHEN we consider the great number of children who die annually in our country by worms, it becomes important that the public should be in possession of some medicine for their removal, which will combine safety and efficiency in its employment. This desideratum is afforded by the "Worm-Destroying Syrup." It is not my wish, nor is it my design, to throw around this preparation the unmeaning and extravagant eulogiums with which such medicines are usually ushered into notice. I only desire for it a fair and judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous and respectable families. The presence of worms may generally with readiness be detected by the following

SYMPTOMS:
Variable appetite, foul tongue, fetid breath, flat, hard and tense belly, loud hoarse expression of the countenance, a bluish streak under the eye; itching at the nose, puffiness of the upper lip; disordered and irregular bowels; starting and screaming in sleep; grinding of teeth; pain in the bowels, and frequently drowsiness or convulsions attended by slow fever.

RECOMMENDATIONS.
Being conversant with the general and successful employment of Mr. R. F. Hemsley's "Worm-Destroying Syrup," I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.
TRIST. THOMAS, M. D.
Easton, March 20th, 1844.
I concur in the above.
J. A. MUSE, M. D.
Easton, March 20.

I have for the last two years used with complete success Mr. R. F. Hemsley's "Worm-Destroying Syrup." Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.
W. M. H. THOMAS, M. D.
Easton, March 25th, 1844.

Having examined Mr. R. F. Hemsley's "Worm-Destroying Syrup," and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.
CHRIS. C. COX, M. D.
Easton, March 7th, 1844.

There is no anthelmintic preparation from the use of which I have seen better results than from Mr. R. F. Hemsley's "Worm-Destroying Syrup." Having been personally acquainted with its composition I can confidently recommend it, not only as a vermifuge, but also as a gentle tonic, suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.
A. M. WHITE, M. D.
Easton, March 26, 1844.

From Dr. W. HEMSLEY.
Having prescribed the "Worm-Destroying Syrup" with success in my neighborhood, I can confidently recommend it as superior to any other preparation offered to the public.
I have tried in a desperate case of worms Mr. R. F. Hemsley's "Worm-Destroying Syrup," and it proved immediately efficacious. This case had baffled the skill of physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favor of this valuable medicine.

STORMS AND FLOODS.

IF, during the continuance of Storm and Floods the channels of OUR MOUNTAIN RIVERS become so obstructed as to admit no insistent outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be OVERWHELMED BY THE FLOOD.
In like manner with the human body—if the Skin, Kidneys and bowels (the natural outlets for Useless and corrupt Humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases THE CAUSE OF SICKNESS, we surely can expect no other result than that the whole frame will sooner or later be OVERWHELMED WITH DISEASE.

As in the first place, if we would prevent an inundation that there may be no hindrance to the free discharge of the superabundant waters, so, in the second place, if we would prevent and cure disease, we must open and keep open, all the Natural Drains of the body.
WRIGHT'S INDIAN VEGETABLE PILLS, Of the North American College of Health, will be found one of the best, if not the very BEST REMEDY IN THE WORLD for carrying out this beautiful and simple theory; because they completely Cleanse the Stomach and Bowels from all Bilious Humors, and other impurities, and at the same time promote a healthy discharge from the Lungs, Skin and Kidneys; consequently, as all the Natural Drains are opened,

DISEASE OF EVERY NATURE IS LITERALLY DRIVEN FROM THE BODY.
Letters received from gentlemen of the highest respectability, show conclusively that Wright's Indian Vegetable Pills are a most VALUABLE MEDICINE, and their fame is rapidly extending to every part of the Union.

FARMERS' PLOUGHS

THE SUBSCRIBERS grateful for the patronage heretofore received, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved

WHEAT MACHINES,
ever offered to the public on this Shore. Their superiority over other machines consists in simplicity and strength, which will enable us to warrant them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become clogged and broken from trivial causes. These Machines we now offer to the public, and have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.
They would also call the attention of the public to their extensive assortment of

PLOUGHS, PLOUGH CASTINGS, MILL CASTINGS, &c.
Their assortment of Ploughs embraces a great variety, viz:
WINAN'S Self-Sharpening Plough, approved, DAVIS, BENNETT, BEACH, PATENT CYCLOIDAL, &c. &c.
The merits of most of the above Ploughs are already well known; but the Patent Cycloidals have been recently introduced by us of this Shore as a valuable acquisition to the Farmer. The Patent Cycloidals, in 1842, took the first premium at the Agricultural Exhibition, near Govans town, Baltimore county, Md., over numerous competitors comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS AND WROUGHT WORK
of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.
HUSSEY & HOPKINS.
N. B.—Persons having machines to repair will please bring them in as early as they can, so as to give full time to do the work in a proper manner. H.S.H.

SHOUT ITS PRAISE! AND PROCLAIM IT TO THE WORLD!!!
That which is beneficial to the world in any shape or way, should be promulgated to the remotest parts of the earth for public good.
Whenever an important discovery in medical science takes place, it should be spread abroad at once. Such a discovery is found in Pease's Compound Extract of Hoarhound, for the cure of all diseases which arise from a chilled system, and has proved itself of the utmost value to a discerning public. Formed of twenty-five different ingredients, each of which is of the most valuable nature, in the cure of those primary diseases which terminate in Consumption.
All families are liable to have some portion of their members attacked at this season of the year, and they should be particularly on their guard, and have a few packages of this valuable compound. Children are liable to be attacked with a cold, which, if not treated with Pease's Compound Extract of Hoarhound, will terminate in Consumption.
At such times, a few stanzas given according to the directions, would stop all fear for the future, because it would then be given in time. This is the grand secret, and should be remembered.

THE HOARHOUND EXTRACT
has now been before the public for three years, and in that space of time, no medicine has ever equaled it in the amount of its sale or in the estimation in which it is held by the public.
Sold by J. Pease & Sons, Inventors and Proprietors, 45 Division street.
Read the following Certificate from a Clergyman at Newark
Newark, Sept. 29, 1842
My Dear Sirs—I have been often afflicted with great exhaustion after exerting and fulfilling my duties and professional avocations, and never found any relief therefrom, until I met with your excellent Hoarhound Candy.
I have tried it on innumerable occasions, and believe it to be the best medicine compound I have ever used, and preserving the lungs from consumption in its early stages. Clergymen are more apt, from the nature of their profession, to be afflicted with hoarseness, which finally turns to Bronchitis, and I certainly believe that a free use of your Candy will keep away that complaint altogether. I recommend all my brethren to keep a few packages of your Candy by them, and use it after speaking, and they will at once perceive its benefit.
Your friend truly,
A. D. AYRES, D. D.
Pastor of the Methodist Episcopal Church, J. Pease & Sons, 45 Division street.

NONE NEED DESPAIR.
This is to certify that I was three years afflicted with an inflammation of the lungs, and found no relief until I used Pease's Hoarhound Candy.
