### HEMSLEY'S WORM-DESTROYING SYRUP.

Prepared by R. F. Hemsley, Chemist and Pharmacist—Easton, Md.

WHEN we consider the great number of children who die annually in our country by worms, it becomes important that the public should be in possession of some medicine for their removal, which will combine safety and efficiency in its employment. This desideratum is afforded by the "Worm-destroying Syrup." It is not my wish, nor is it my design, to throw around this preparation the unmeaning and extravagant eulogiums with which such medicines are usually ushered into notice, only desire for a fair and judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous and respectable families. The presence of worms may generally with readiness be detected by the following

### SYMPTOMS:

Variable appetite, foul tongue, fetid breath, full, hard and tense belly; dull heavy expression of the countenance; a bluish streak under the eye; itching at the nose, puffiness of the upper lip; disordered and irregular bowels; starting and screaming in sleep; grinding of teeth; pain in the bowels, and frequently drowsiness or convulsions attended by slow fever.

### RECOMMENDATIONS.

Being conversant with the general and successful employment of Mr. R. F. Hemsley's "Worm-destroying Syrup," I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

W. M. H. THOMAS, M. D.  
Easton, March 20th, 1844.

I concur in the above.

J. A. MUSE, M. D.  
Easton, March 20.

I have for the last two years used with complete success Mr. R. F. Hemsley's "Worm-destroying Syrup." Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

W. M. H. THOMAS, M. D.  
Easton, March 25th, 1844.

Having examined Mr. R. F. Hemsley's "Worm-destroying Syrup," and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

C. COX, M. D.  
Easton, March 7th 1844.

There is no anthelmintic preparation from the use of which I have seen better results than from Mr. R. F. Hemsley's "Worm-destroying Syrup." Having heard much of its composition I can confidently recommend it, not only as a vermifuge, but also as a gentle tonic, suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M. WHITE, M. D.  
Easton, March 25, 1844.

From Dr. W. HEMSLEY.

Having prescribed the "Worm-destroying Syrup" with success in my neighborhood, I can confidently recommend it to my superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. Hemsley's "Worm-destroying Syrup," and it proved immediately efficacious. This case had baffled the skill of physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favor of this valuable medicine.

### FARMERS' PLOUGHS

THE SUBSCRIBERS grateful for the patronage heretofore received, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved

### WHEAT MACHINES.

ever offered to the public on this Shore. Their superiority over other machines consists in simplicity and strength, which will enable us to warrant them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of

### PLOUGHS, PLOUGH CASTINGS, MILL CASTINGS, &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN'S Self Sharpening Plough, BEACH Improved, JONES, BERNARD, COLTHER, DAVIS, MOORE, SINGLAR & MOORE, WILEY, CHESWORTH, PATENT CYCLOID BEACH, AL Plough, &c.

The merits of most of the above Ploughs are already well known, but the Wiley and Patent Cycloid have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloid, in 1842, took the first premium at the Agricultural Exhibition, near Goochland, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

### STORMS AND FLOODS.

IF during the continuance of Storms and Floods the channels of OUR MIDDLE RIVERS become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than the surrounding country will be OVERWHELMED with the FLOOD.

In like manner with the human body—if the Skin, Kidneys and bowels (the natural outlets for USELESS and CORRUPT HUMORS) become so obstructed as to fill in affording a full discharge of those impurities which are in all cases THE CAUSE OF SICKNESS, we surely can expect no other result than that the whole frame will sooner or later be OVERWHELMED WITH DISEASE.

As in the first place, if we would prevent an inundation we must remove all obstructions in order that there may be no hindrance to the free discharge of the superabundant waters, so, in the second place, if we would prevent and cure disease, we must open and keep open, all the Natural Drains of the body.

### WRIGHT'S INDIAN VEGETABLE PILLS,

Of the North American College of Health, will be found one of the best, if not the very BEST REMEDY IN THE WORLD for carrying out this beautiful and simple theory; because they completely Cleanse the Stomach and Bowels from all Bilious Humors, and other impurities, and at the same time promote a healthy discharge from the Lungs, Skin and Kidneys; consequently, as all the Natural Drains are opened,

### DISEASE OF EVERY NAME IS LIBERALLY DRIVEN FROM THE BODY.

Letters received from gentlemen of the highest respectability, show conclusively that Wright's Indian Vegetable Pills are a most VALUABLE MEDICINE, and their time is rapidly extending to every part of the Union.
