FARMERS' FOUNDRY.

PLOUGHS

PLOUGHS

THE SUBSCRIBERS grateful for the patronage heretofore received, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of

PLOUGHS,
PLOUGH CASTINGS,
MILL CASTINGS, &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN'S Self Sharpener,	BEACH Improved,
DAVIS,	BERNARD,
SINCLAIR & MOORE	COULTER,
CHENOWITH,	WILEY,
BEACH.	PATENT CYCLOIDAL Plough, &c.

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842, took the first premium at the Agricultural Exhibition, near Govanstown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS
AND
WROUGHT WORK

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

HUSSEY & HOPKINS.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in a proper manner. H.&H.

STORMS AND FLOODS.

IF, during the continuance of Storms and Floods the channels of *OUR MIGHTY RIVERS* become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be *OVERWHELMED with the FLOOD.* In like manner with the human body—if the Skin, Kidneys and bowels (the natural outlets for USELESS and CORRUPT HUMORS) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases *THE CAUSE OF SICKNESS*, we surely can expect no other results than that the whole frame will sooner or later be *OVERWHELMED WITH DISEASE.*

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters, so, in the second place, if we would prevent and cure disease, we must open and keep open, all the Natural Drains of the body.

WRIGHT'S INDIAN VEGETABLE PILLS,

Of the North American College of Health, will be found one of the best, if not the very

BEST REMEDY IN THE WORLD

for carrying out this beautiful and simple theory; because they completely *Cleanse the Stomach and Bowels from all Bilious Humors,* and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin and Kidneys; consequently, as all the Natural Drains are opened,

DISEASE
OF EVERY NAME IS LITERALLY
DRIVEN FROM THE BODY.

Letters received from gentlemen of the highest respectability, show conclusively that Wright's Indian Vegetable Pills are a most

VALUABLE MEDICINE,

and their fame is rapidly extending to every part of the Union.

HEMSLEY'S
WORM-DESTROYING
SYRUP.

Prepared by R. F. Hemsley, Chemist and Pharmaceutist,—Easton, Md.

WHEN we consider the great number of children who die annually in our country by worms, it becomes important that the public should be in possession of some medicine for their removal, which will combine safety and efficiency in its employment. This desideratum is afforded by the "Worm-Destroying Syrup." It is not my wish, nor is it my design, to throw around this preparation the unmeaning and extravagant eulogiums with which such medicines are usually ushered into notice. I only desire for it a fair and judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous and respectable families. The presence of worms may generally with readiness be detected by the following

SYMPTOMS:

Variable appetite, foul tongue, feted breath, full, hard and tense belly; dull heavy expression of the countenance; a bluish streak under the eye; itching at the nose, puffiness of the upper lip; disordered and irregular bowels; starting and screaming in sleep; grinding of teeth; pain in the bowels, and frequently drowsiness or convulsions attended by slow fever.

RECOMMENDATIONS.

Being conversant with the general and successful employment of Mr. R. F. HEMSLEY'S *"Worm-Destroying Syrup,"* I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

Easton, March 20th, 1844.

I concur in the above.

Easton, March 20. J. A. MUSE, M. D.

I have for the last two years used with complete success Mr. R. F. Hemsley's *"Worm-Destroying Syrup."* Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H. THOMAS, M. D.

Easton, March 25th, 1844.

Having examined Mr. R. F. Hemsley's *"Worm-Destroying Syrup,"* and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal. CHRIS. C. COX, M. D.

Easton, March 7th 1844.

There is no anthelmimthic preparation from the use of which I have seen better results than from Mr. R. F. Hemsley's *Worm Destroying Syrup.* Having been made acquainted with its composition I can confidently recommend it, not only as a vermifuge, but also as a gentle tonic, suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M. WHITE, M. D

Easton, March 26, 1844.

From DR. W. HEMSLEY.

Having prescribed the "Worm-Destroying Syrup" with success in my neighborhood, I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. Hemsley's *"Worm-Destroying Syrup,"* and it proved immediately efficacious. This case had baffled the skill of physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favor of this valuable medicine.

☞ *Circulate the Documents.*

THE undersigned solicit the active exertions of their friends to promote the circulation of the Herald from this time to the Presidential election. As the present number sufficiently indicates the course we will steadily pursue, and the service we may be able to render to the great cause of Democracy, we deem it unnecessary to make any further promises. We offer the paper to the public from the 13th of July till the Presidential election, at the following reduced prices —*payment always to be made in advance.*

For 1 copy,	75 cents.
10 "	$6.00
20 "	10.00

We also ask the attention of the Democracy of this county and other parts of the State, to the series of tracts now being published at this office, under the conviction that their general circulation cannot fail to increase the number of Democratic voters, and ensure the triumph of our candidates. Each of the tracts will suit any and every section of the State—the one showing Mr. Pratt's inconsistent course on the Canal question, being designed to prove his responsibility for bringing direct taxation upon the people, and the others devoted to the objects which their titles indicate. These tracts are as follows:—

TRACT No. 1.—Results of the Whig triumph of 1840 briefly summed up, and the responsibility of bringing State taxation upon the people, fixed upon Thomas G. Pratt and other Whig Senators, by the recent confession of their party papers, and by an array of facts too strong to be controverted.

TRACT No. 2.—Thomas G. Pratt opposed to giving the people the right of electing their own Governor and Senators at all times and on all occasions, as proven by the public records of the State, and his own printed speeches.

TRACT No. 3.—The Democratic Compromise Bill, or the way to settle the Public Debt, and release the people from taxes, by means of our public works, with explanations and comments.

TRACT No. 4.—The defects and monstrosities of the Whig tax law, and the odious "GAG LAW," reported by Coleman Yellott of Harford, and attempted to be passed by the last Whig Legislature, fairly reviewed and commented upon.

As we ask no further reward for our labors in thus endeavoring to serve our party and promote its success, than that compensation which is necessary to defray the expense of publication, we have concluded to furnish these tracts at the low price of one dollar per hundred, provided, *in all cases,* payment is made in advance.

WILLIAM N. MULLIKIN having taken an agency for exchanging of coarse Cloths and Kerseys (for servant's wear) for Wool, informs his friends and the public generally that he is now prepared to make engagements on terms much more favorable than heretofore. He respectfully asks persons wanting such goods and having wool to dispose of to give him a call before disposing of it. Easton, June 4—tfG
