### HEALTH & HAPPINESS.

DOCTOR W. WORSDELL, the inventor of the celebrated Family Medicine, WORSDELL'S VENEREABLE REMEDY PILLS, has used no other medicine in his family during the past 15 years, and has twelve children living in the enjoyment of health. It has been his invariable practice whenever any of his family take cold, or feel unwell, to administer a dose of Pills, and repeat the same daily as often as the violence of the attack required to subdue it, which he always found to be attended with happy results. If parents were sufficiently impressed with the necessity of purging, and occasionally administering pure opening medicines to their children, general good health would be the consequence.

THE FOLLOWING TESTIMONIES are further confirmation of their surprising efficacy.—Mr. Henry Coburn, Easton, says that Worsdell's Pills are daily gaining a reputation, as an excellent Family Medicine. All those who have tried them bear testimony to their extraordinary virtues. A gentleman stated to him a few days ago, that one of his children was taken with the chills and fever, and he administered Worsdell's Pills with success; the chills did not return, and the child got well.

BRUCE'S FEVER.—Mrs. Burns, who resides at Potts's mill, near Easton, was taken with a severe attack of Bilious Fever, she had recourse to Worsdell's Pills, and after taking several brisk doses was completely cured.

DOCT. DRISBARK, Georgetown X Roads, Kent co. says that Worsdell's Pills are superior to any other for regulating the stomach and bowels, and their effects are not followed by constipation; he has witnessed their beneficial effects in several cases of disease. They were first introduced to his notice by a friend of his who was cured of the Ague and Fever by using only three doses.

DYSPEPSIA.—Mrs. Baker, near Chester-town, had been afflicted with Dyspepsia a long time, and she states that she has derived more benefit from Worsdell's Pills than any other medicine.

RHEUMATISM.—A young woman in Cecil Co. has been so seriously afflicted with the Rheumatism, that she was unable to walk for 12 months, and after taking several boxes of Worsdell's Pills, she is now so recovered that she can walk with ease.

Messrs. T. A. & J. E. D. Turner, Merchants, Greensboro, Caroline co., in writing for an extra supply state that "Worsdell's Pills surpass all others in this section of the country, and the great demand for them is unprecedented."

The office of Worsdell's Pills is to go at once to the root of the disease, by purifying the vital principle of life,—the Blood. They preserve and improve the health and digestion, relieve the lungs; remove those obstructions in the bowels which so frequently produce headache, dizziness and dimness of sight; remove bile from the stomach, and dangerous oppression from the brain; produce serenity of mind, and, in short, give tone, energy, strength and elasticity to all the physical functions.

They do not contain an atom of Mercury, Calomel, or any other deleterious drug—may be taken without any regard to diet or confinement, and have been found so beneficial in almost all cases of disease which the human system is liable to, that they may justly be considered unequalled as an universal Family Medicine, being purely vegetable, the most delicate females find the occasional use of them materially beneficial to their general health.

Price 25 cts. a Box—containing 50 Pills. Sold wholesale by J. Robinson, No. 142, Balt. street, Baltimore, and retail by the following agents:—

### HEMSLEY'S WORM-DESTROYING SYRUP.

Prepared by R. F. Hemsley, Chemist and Pharmacist.—Easton, Md.

WHEN we consider the great number of children who die annually in our country by worms, it becomes important that the public should be in possession of some medicine for their removal, which will combine safety and efficiency in its employment. This desideratum is afforded by the "Worm-Destroying Syrup." It is not my wish, nor is it my design, to throw around this preparation the unassuming and extravagant eulogiums with which such medicines are usually adorned in notice. Only desire for a trial will be sufficient to acquire the full appreciation of its merits.

The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous and respectable families. The presence of worms may generally with readiness be detected by the following

### SYMPTOMS:

Variable appetite, foul tongue; fetid breath, full, hard and tense belly; dull heavy expression of the countenance; a bluish streak under the eye; itching at the nose; puffiness of the upper lip; disordered and irregular bowels; starting and screaming in sleep; grinding of teeth; pain in the bowels; and frequently drowsiness or convulsions attended by slow fever.

### RECOMMENDATIONS.

Being conversant with the general and successful employment of Mr. R. F. Hemsley's "Worm-Destroying Syrup," I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS,
