STORMS AND FLOODS.

IF, during the continuance of Storms and Floods the channels of OUR MIGHTY RIVERS be so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

OVERWHELMED with the FLOOD. In like manner with the human body—if the Skin, Kidneys and bowels (the natural outlets for USELESS and CORRUPT HUMORS) become so obstructed as to be unable to afford a full discharge of those impurities which are in all cases THE CAUSE OF SICKNESS, we surely can expect no other results than that the whole frame will sooner or later be OVERWHELMED WITH DISEASE.

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters; so, in the second place, if we would prevent and cure the disease, we must open and keep open, all the Natural Drainage of the body.

WRIGHT'S INDIAN VEGETABLE PILLS, Of the North American College of Health, will be found one of the best, if not the very BEST REMEDY IN THE WORLD for carrying out this beautiful and simple theory; because they completely Cleanse the Stomach and Bowels from all Bileous Humors, and other impurities, and at the same time promote a healthy discharge from the Lungs, Skin and Kidneys; consequently, as all the Natural Drains are opened,

DISEASE OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY.

Letters received from gentlemen of the highest respectability, show conclusively that Wright's Indian Vegetable Pills are a most VALUABLE MEDICINE, and their use is rapidly extending to every part of the Union.

The following highly respectable Store keepers have been appointed Agents for the sale of Wright's Indian Vegetable Pills.
