**A STRONG AND DURABLE MACHINE, WORKED BY TWO HORSES AND ONE HAND AND RAISES CART LOADS PER HOUR.**

**BRYAN'S AGRICULTURAL MUD LIFTER.**

THE purpose of this machine is to raise the deposit from the bottom of ravines, creeks, rivers or other places inaccessible to teams.

This machine raises the mud, brings it on shore, deposits it into a hopper, under which a cart can be driven, and receives its load by which all labor of shoveling is avoided. The bucket is made of the best boiler iron, and is so constructed that it dumps the mud into the hopper, and by reversing the capstan, adjusts itself, and is carried out for another load.

By referring to a drawing and clear explanations sent with each machine any ordinary carpenter can put one up without difficulty. But a few pieces of roughly hewn timber are required for the frame. Everything else complete with chain and rope enough to send the bucket 170 feet from the capstan, is furnished in Baltimore for the sum of \$225 cash.

All orders promptly attended to, or information given at Larabee's Foundry, Corner Front and Plowman Streets Baltimore Md. **BRYAN & BROTHER.** Feb. 21, 1860—ly.

## NOTICE TO FARMERS.

I HAVE received an appointment for the sale of "Jordan's Superphosphate of Lime," in Delaware for the last five or six years with great success, and in this county by Dr. W. S. Turpin, who has been so much pleased with its results that he has continued its use for several years. Price \$45 per ton. Apply to **A. S. GODWIN.**

## CERTIFICATES.

**CENTREVILLE Q. A. Co. Md.,** March 10th 1859. DEAR SIR:—Learning that you are appointed agent for the sale of "Jordan's Superphosphate of Lime," I take pleasure in saying that I have used it for several years, on wheat and corn, with satisfactory results; I consider it the best Phosphate manure I have used. **W. S. TURPIN.**

**SMYRNA DEL.,** April 13, 1859. I have used extensively Jordan's Ammoniated Superphosphate of Lime, for 2 years, upon wheat and corn. The effect was great and profitable in the increase of both crops, and to me highly satisfactory, having produced a cheap and valuable fertilizer. I regard it as being among the very best concentrated manure in use. **G. W. CUMMINGS.**

**KENT CO. DEL.,** Oct. 4, 1855. I tried "Jordan's Superphosphate of Lime" last fall, on wheat, to a limited extent, and found at harvest the wheat equal to where Guano on the one side, and manure on the other side; were applied. I tried to apply the same quantity (800 lbs. per acre) of each the ground prepared alike the Guano sowed before planting, and the Phosphate of Lime after, being the only difference; the soil a sandy loam. I wish you to send me three tons more of the same article, for my wheat crop of this fall sowing, for I believe in the quality of it. **WM. J. COLLINS.**

**SMYRNA, DEL.,** Oct. 4, 1856. I last year furnished my tenants with twenty tons of Jordan's Ammoniated Superphosphate of Lime, which was applied to the corn crop in the hills, and I was much pleased with its effects. The corn stood well and grew rapidly, and the crop was, I have reason to believe, greatly increased in consequence of the application of the fertilizer. **DAVID J. CUMMINGS.** March 15, 1859—4f.

## HOWARD ASSOCIATION, PHILADELPHIA.

A BENEVOLENT INSTITUTION ESTABLISHED BY SPECIAL ENDOWMENT, FOR THE RELIEF OF THE SICK AND DISTRESSED, AFFLICTED WITH VIRULENT AND EPIDEMIC DISEASES.

THE HOWARD ASSOCIATION in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by quacks, several years ago directed their Consulting Surgeon, as a charitable act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give medical advice gratis to all who apply by letter, with a description of their condition, (ages, occupation, habits of life, &c.) and in case of extreme poverty to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhea Seminal Weakness, Gonorrhoea, Gleet, Sphilitis, the vice of Onanism of Self-Abuse, Diseases of the Kidneys and bladder, &c., and order a continuance of the same for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much neglected cause.

An admirable Report on Spermatorrhea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-Abuse, and the Diseases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope) free of charge, on receipt of two stamps for postage. Other reports and tracts on the treatment of Sexual and Venereal diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year are of great value.

Address, for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth St., Philadelphia, Pennsylvania. By order of the Directors, **EZRA D. HEARTWELL,** President. **GEO. FAIRCHILD,** Secretary. March 22, 1860—ly.

## (BY AUTHORITY OF THE STATE OF MARYLAND.)

**J. MURPHY & CO.** HAVING been selected by the Legislature of Maryland to print and publish the only authorized edition of the **MARYLAND CODE,** Prepared by Otho Scott and Hiram McCullough, Commissioners; beg leave to ask the attention, not only of professional men and law officers generally, but also of business men in all Commercial, Manufacturing, Agricultural and industrial pursuits, to the advantages which it is obvious must be derived from a copy of this work. The distinguished codifiers, whose labors have been ratified by an act of the recent Legislature, have comprised in full detail in two volumes, all the **PUBLIC & LOCAL LAWS,** now in force in this State, and, of course, bearing on every department of business, and every interest of society. Into this comprehensive space the Code (whose provisions are brought down to the close of the session of 1860)

## COLLECTS & DIGESTS THE ENTIRE LEGISLATION OF MARYLAND, FROM THE PROVISIONAL PERIOD TO THE PRESENT DAY,

with an elaborate Index to each article and section, prepared by Henry C. Mackay, Esq.—careful and minute in its classification of subjects, the reader, no matter how unfamiliar with the science of the law, may easily examine the enactments on any question referring to his property, his Rights, or his Liberties as a Citizen.

It is not urged that the ownership of these volumes will make "every man his own lawyer," for few there are more dangerous than to define or assert our legal rights in cases of doubts or intricacy, without the assistance of counsel; yet in the concerns of all business men there are numerous questions, constantly occurring, which may be at once and satisfactorily solved by reference to this book. One such reference may refund its price in the saving of a single fee.

With the view of enabling every citizen to possess a copy of this valuable work the preparation of which has cost the State upwards of \$60,000, the publishers have affixed the price at about half the usual charge for law books, relying with confidence on the intelligence of the citizens of Maryland for a liberal encouragement.

The Maryland Code will be published in two volumes octavo, with clear new type on fine paper and bound in Law Sheep.—Each volume will comprise about 800 pages and will be furnished to subscribers at \$6.00 for the complete work. Interleaved copies for the use of members of the bar and others \$10.00.
