NOW READY. The 2d Edition

PUBLISHED BY AUTHORITY State of Maryland.

CONTAINING ALL THE Public GENERAL and Public LOCAL Laws, Now in Force, in the State of Maryland,

COMPILED 4:

OTHO SCOTT, and HIRAM M'CULLOJGH, Commissioners, Adopted by the Legislature of Maryland, Jan. Session, 1860: the Acts of that Session being therewith incorporated. With an INDEX to each ARTICLE & SECTION BY HENRY C. MACKALL, OF THE MARYLAND BAR. Just Published, in Two Vols. 800. Law Sheep, 1788 pages, only \$6, Interleaved, \$10. Superbly bound in Half Calf, interleaved, \$12 per copy.

The first edition of 2000 copies of the Code being exhausted by the subscription of the State, the City of Baltimore, andthe public, the Publishers have the pleasure of announcing that the SECOND EDITION is now ready, for which orders

are respectfully solicited. It is deemed superfluous to dwell on the merits or advantages of this great work, the preparation of which has cost the State upwards of \$50,000. The distinguished Codifiers, whose labors have been ratified by an Act of the recent Legislature, have comprised in Full Detail, in Two Volumes, ALL THE PUBLIC AND LOCAL LAWS, now in force in this State, and of course, bearing on every department of busisive space, the Code, into which is incorporated the Acts of the last Legislature, collects and digests the Entire Legislation of Maryland from the Provincial Period to the close of the January Session of 1860; -with an elaborate and well minute in its classification of subjects, the reader, no matter how unfamiliar with the science of law, may easily examine the enactments on any question referring to his Property, his Rights, his Duties, or his Liberties as a Citizen. With the view of enabling every citizen to possess a copy,

the Publishers have affixed the price at about one-half the usual charge for Law Books, relying with confidence on the intelligence of the citizens of Maryland for a liberal of the Douglas meeting, held at Chester- encouragement. It is perhaps the most complete body of Domestic Jurisprudence ever Published, for Popular as well as Professional use. As a perfect Compendium of our State Law, it should at once enlist the good will and secure the patronage of every citizen. Every Law Officer, every sof Queen Anne's, Francis Gallagher, Merchant, Manufacturer and Furmer, every Mechanic and Artizan, every Professional and Business Man, ought to secure a copy of THE CODE.

The Code has been carefully examined by several of the most eminent lawyers in the State. All unite in pronouncing it the most complete body of Domestic Jurisprudence for Professional as well as Popular use, ever published, and one of the best arranged, as it is unquestionably one of the neatest and cheapest law books ever produced in this country. The unexpected demand, and the very favorable opinions expressed by competent judges, are gratifying evidences, that the mode of issuing the Work-in a superior style, and at about one-half the usual price of law books-has met with public approbation.

In order to render the work in every respect useful to Purchasers, we have made arrangements to issue in Pamphlet Form, uniform with the present volumes of the Code, the ACTS of each FUTURE SESSION of the LEGISLATURE. By this means the purchasers of the Code will be enabled to possess all the Legislation of the State, in regular order, at a very moderate price.

Preparing for Early Publication, A DIGEST OF THE DECISIONS, Construing the Statutes of Maryland, of which the Code of Public General Laws is composed, with specifications of the Acts of Assembly, by CHARLES F. MAYER and LEWIS MAYER, of the Baltimore Bar.

Early orders respectfully solicited. JOHN MURPHY & CO. PUBLISHERS, BOOKSELLERS, PRINTERS & STATIONERS, 182 Baltimore st., Baltimore. The Code, can be had of the Agents, in the different Counties, throughout the State, and of the Booksellers.
