25

Wm Lawrence Glasgow } I have had the Hope surveyed by Mr Ritchie Shipbuilder who consulted with Sailmakers as to the Rigging the result is that the things from £100 to £200 Lgs will be required to put her in such state of repair as you require he also thinks that even on the principle of selling here it will be policy to repair here, as in there Purs^rs cut state she will not sell, What is to be done?

25

Wm Moore Patrick } In reply to your^rs of the 19^th I have to say that after several days negotiation the Master of the 100 Ton Vessel that I thot I had engaged refused to proceed without getting additional & unreasonable terms, I say whether I shall consider time to look out for another Vessel to suit of what burthen
