

Commence for a Month or six Weeks
it would in the mean Time give me
much pleasure to see you, provided
your House is so arrang'd that my
coming would not be inconvenient to
you - I had letters up to the 4th May
from my Family they were then preparing
to come out by first opportunity
Mr Cunningham & some of my other
Friends, who had been averse to Mrs
Thompsons coming out until I had got
into some settled Situation; are now
perfectly satisfied that she should
come out, as they seem to expect the
Intercourse between the two Countries
will soon be broken off, this I hope
will not be the Case, but it seems
to be the general Opinion there -
I pray had you an opportunity of

seeing or communicating with D White
since I last wrote you - Let me
know how your Crops Stock &c are
coming on, in whatever ^{Situation} Providence
may be pleas'd to place me, it will
always afford me much pleasure to
hear of every Thing under your Care
prospering & increasing - My good
Friend Hamilton was tried at
the last O. Fergus Assizes for
taking a Bond in his own Name for
£150 due to my Estate & forcing an
entry into my Books as if it had been paid
Baron McClelland told him he had never
met so great a Villain bid him not leave
the Table for he was strongly inclin'd to
commit him for Perjury - Expecting
the pleasure of a Line or two from you on
receipt of this - I remain Very sincerely yours
So Iunkin come out yet
direct to me at Mrs Grays
East Street Baltimore
A Thomson
