Dear Father

M^{rs} Maynardier was proposing to me to write to you and let you know that as M^r Sudd was going away he would sell his carriage very low on^{ly} 130 Dollars. Sister Margent knows it, and if you will you will let me know as soon as possible. I hope that my Mother ~~that my~~ and all the family are well. and that John Junkin is quite well. I do not like to live at Annapolis. in Latin I am reading Caesar's Comitaries counting in compound subtraction. on Sunday last there was A gentleman preached by the name of Steller. I think that he is superior to M^r Sudd. Remember me to M^{rs} Reid and all the family. Fanny's brother
