

that as her Sister Mrs. P. M. May will be  
in Annapolis about the 27<sup>th</sup> Inst. with  
whom she wishes to advise respecting her  
Duties as <sup>the</sup> Administratrix - you will  
attend in Annapolis at the same time  
- when she expects the business may  
be closed, or nearly so - Mrs. Bird  
& escort will return with you -

I wrote you by last Saturday's  
Mail - acknowledging the receipt  
of your Letter respecting the 24<sup>th</sup> Feb  
Sheep - If you have been able to  
obtain any more I shall be perfectly  
satisfied with what you may have  
done - Ned has just returned from  
Baltimore & brought me 6 uncommonly  
fat Hualocks - which will keep us  
in work for a while - You all unite  
in kindly respects to Mrs. Bowie.  
yours self & family - yours with regard
