Dear Sir

I duly received both Letters with
 the Cloth for the Coat. Buttons Hatchet &c.
 also \$15 which is placed to your Credit.

I call'd on Mr Neap to know why
 he did not go agreeable to promise. he said
 it was not in his power, both Andrew
 and I, told him it would be well worth
 his while to go up, he replied he cer-
 tainly is - how soon I cannot say -

Our Friend Mr Cathcart is ret-
 urn'd from Philadelphia, the first opportunity
 shall give him the reading of your Letter
 with my own opinion. The Weather is
 now very fine. The Letter goes off well, as
 soon as it is all done A. or I will pray
 give a visit on our new Horse. \$120
