

Dear Sir

It is with regret I have
to inform you that I cannot
dispose of your bill on Ireland

I deferred waiting you until
I had tried to dispose of it in
Philadelphia & Baltimore. I offered to sell
it in the latter place at a discount
but bills on Ireland can't be sold at
this time for less than 12 1/2 % loss

Your having friends in Balt
will enable you to do better with
it than I can. I am sorry I have
been the cause of any detention in
your disposing of the bill in some other
way. but be assured I tried my best
to dispose of it before I would return
it - You will please direct me what to
do with it - if you choose I will give it
