

Dear Sir

Sept. 15th 1815

I called on Judge Blaine this day, he says he
sees no objection to your being admitted to the bar at
his court meets on Monday next, but will take many
days, so that I hope you may accomplish the desired
object without further hindrance or delay. You can bring it
one your letter. I should Dec. I have him come
when if he knows any private hand to carry this
letter on I believe the post does not go out till
this day

Yours truly John A. Phillips
