Dear Sir

Limited 24th October 1857

Inclosed you have the 17th Mrs Brown's
health & sanitary sufferers, but is expected she will be
able to sail with the Belvidera for Liverpool, in about
a month from this time. The Belvidera has not yet
arrived, but is expected the latter end of this, or the beginning
of next month, the Steward is about to depart about three weeks after arrival. I asked the favour of your
stay 30 guineas for each passenger finding them
in every thing except wine. I thought it right to give
you this information that you might have time to
prepare. We have had a heavy snow storm with cold
gale from North West. Hope all to be mended in your
favour

Yours sincerely

H Leslie
