

Runney made

D. Sir,

We are anxious to know how; our dear branch friends are; since we last saw you -

Ms. M. J. is tolerably well. Miss Kelly has suffered much, with her face & mouth. Doct Boyer made an effort to extract a tooth, but could not succeed.

The ladies join me in affectionate regards to yourself & family.

A. M. J. Runney.

Aug^r 17. 1817.
