Dear Sir

I have written two Letters to you without an Answer. I trust you and Family are well, and to convince me you are so. Expect a few lines of paper — who I have sent with a small load of Rotten. Mr Lloyd brought one word Mr Shob wanted to Rotten. and I am of opinion he can dispose of a few more in your neighbourhood. — I am sorry to say the demand for Rotten this Season is really very back. I have not sold half the quantity this Year — as in former ones — I sincerely hope a good Purchaser will come forward s. next Month, as that is the Day fixed for the Sale of this Concern — had the demand been good
