Dear Sir - *Letterburg* 28th May 1819

I duly rec^d your kind Letter of 17th
Inst^l which I w^d have answered before
this, but waiting till after 25th which was
the day of the Sale of the *Bruny*. Not
one Dollar was bid for it - so that what
they intend doing with it at present
cannot say. Lawyer Mr Conaghey this
day asked me what I thought I could
give off *Annam* for it, in its present
state - I replied as it was greatly out of order
if any of the gentlemen concerned would
put it into *Brewing* order, I w^d give them
a fair price for it. I know the all wish
much my getting it - but as Money seems
not to be had, I do not know what the
intend doing, nor can I say what will be
done
