

presence would not be required, here during the suit
If you can remit me about fifteen dollars I
want a pair of Boots & some mending to do &c &c
As you do not use your gun at home & will
then have my uncle's with you, if you would
let me have yours for this winter I would like to
go out about once a week, and also the bag & flask
Miss Thomson I believe will be married next
month.

The Canadians are keeping very quiet here so far.

Mr. Jany will not go to the Legislature this winter

Give my love to all the family & believe me your
Obedient Son
