Dear Sir Baltimore 1st Decr 1870

I had the pleasure of your letter
of the 20th ult. with your note on enclosing
it is passed at the post office. I would
have written you before, but that your former
clerk told me you would be in town this
week. I left some letters to be forwarded
to Ireland which I intend to send to New York,
to go by our ship the Hebronia which is
expected to sail about the 10th of next

Yours truly
John C. White
