Family is gone on by Little York
with my Son, in a Coach
waggon from Elizabeth Town
h. a - I have a deal to say to
you, but must defer it
until I have the pleasure
of seeing you. as it is now

Laney Town - however she
must rest with you self
Could I apologize I would
attempt it - but it must
be done Personally - which I
hope to soon have the pleasure
of doing I beg my sincere
regards to your good family
& believe me Dear Sir
