

Reverdy Johnson his son & the Administrator
lives in Baltimore and I seldom see
him - therefore if you would take the
Ac^t. to Baltimore when you go - you will
find out what chance you have of being paid.
I hear that the estate owes a good deal of
money - My respects to Miss Winnie & tell
her that I saw Miss M. Mercer at our
House - just before I left home - who desired
to be particularly remembered -

Stock Cattle are very scarce here & money
still wanted - I have bought a few - very
high - they cost me \$13 = 25 p^r head -

Beef Cattle selling very low, rather under
\$4 = p^r cwt - I hope you have turned
y^r. to good Ac^t - please to acknowledge
the receipt of the money now sent -

Charles I expect will deliver every

thing safe - with my best respects to
Mrs. Winnie - yourself & all the young Ladies

I am very sincerely
y^r. H. Maynardis -
