

Mr Sweeney, Money and has deposited
\$2500 in some of the Banks of B. more
which is supposed will be more than
sufficient to settle the U. S. Business
He also bid me inform you that he
sold 2 parcels ^{of the bonds} one at \$1:62 1/2. The
other a \$1:65 - per hundred -

As respects his general health it is
better than when you were up - And
I fondly hope that a little time
more will do much for him -
I was sorry I happened to write by
mail to M as I did not know
of Mr Replets coming and

if time will allow will seize this oppor-
tunity to write Nester - Your good lady
I am not in debt in this respect to her
will thank you to offer her My
love also to all your Children

Al begs you'll accept his best
wishes at all times while
I am your sister friend
