

Dear Sir,

Philadelphia Oct. 23^d 1830

Your letter of the 16th inst. was received on the 19th & afforded much gratification. Your donation to our Board was truly liberal, & very acceptable - as we are at present in great want of funds - I am very much pleased to hear that you are making preparations for the permanent location of a minister among you - & I now have the pleasure of informing you that we have a young man at command ~~for~~ W. Kennedy, a graduate from the Seminary at Princeton - He is a young man of pleasing manners, & address - I trust you will find him in every way qualified for the people in your region - They are willing to allow Mr. K. \$100 a year - & if you can succeed in raising \$300 more - or \$200 and his board - he will be willing to come among you. He is now in New York, & will be in this City the last of next week. If you can complete your subscriptions immediately, & give me information next week, I think we shall be able to send him to Jamestown the first week in November - Very respectfully yours L. S. Rapelle. Sec.
