

Billy has really taken a start to grow up & so has little  
Harriet she promises to be a very sensible child &  
quite dignified. Our servant went off next morning  
after Harriet & at present we are without one  
I will be for a week unless something turns up. Mr Webb  
says Elv is an excellent authetician

With love to all

Yours &c  
C. B. Jr.

Harriet Jones
