

Sunday 30th March. Raw
and cold all day, been
raining, and Sun shining
at intervals. have not
been to church to-day.

Monday 31st March. Rained
this morning a little, then
cleared up. Sun shone out
beautiful. I have been
out all the morning, shopping
for aunt E. dined with
her. Met G. got a bow. have
not seen M. to-day. expect
him down this evening.

I feel very tired from
walking so much. We had quite
a heavy gust last-night.
