

a beautiful day, and this
morning the sun arose clear
and bright and shone beau-
tiful until ~~the~~ about
noon when it clouded up
and I think we will have
rain ere the setting of to-
morrow's sun.

Monday April 14th Still cloudy
every prospect of rain or snow,
before very long. I feel some-
what better to-day, but very
weak. Lizzie and Nellie were
here this evening for a little
while. They are going to Batts-
on Thursday. Mr. Re Vells was
buried this evening, he died
yesterday morning.
