

there is not one Hog about the
Town for sale. I have heard of none
near. I shall make every exertion
to send on the cattle as soon as I
get them. The pork has sold here
last week from 7 to 8 dollars
and beef the same. I could not
find Mr. Goudsbrough. I was at
every tavern and no one could
tell me any thing about
him —

I am Sir with respect
Your Humble Servt
