

copy of it for me?

I like to work on these old things for amusement and recreation and someday I hope to have gathered enough of interest to get up a history of our branch of the family and if you folks at Annapolis can furnish me with anything which you think will be of interest I'll appreciate it. - I am awfully anxious to get some data about John Sands - when he came to Annapolis and where from. - he was aunt Sarah's grandfather.

We are all pretty well. Lucile is in Baltimore with aunt Mollie ~~Sumner~~. Father's family are at Beach Park. With kindest regards to you all
I am

Sincerely yours

Oliver J. Sands.
