

Annapolis Oct 13th / 87

Dear Susie,

I received your note
about Wed last night. It
was my intention to come down
last evening and also today,

but Mother's words of warning
^{and} ~~that~~ desire that I should be
prudent and keep out of
the night air prevailed over
my wishes. I am still quite
indisposed and probably will not
be out until Sunday.
Sincerely Yours. M. F. Reece
